

Role: NHS Payroll Assistant
Department: HR Delivery Team
Salary: From £23,000 per annum
Responsible to: HR Advisor

Job Purpose:

Provide an effective and comprehensive service to assist in the delivery of all payroll services provided by the HR Delivery team ensuring high levels of customer service and a timely delivery.

Main duties and responsibilities:

- Prepare and apply payroll data for processing, in accordance with the appropriate procedures, regulations and standards. Ensure that all employees are paid accurately on time and that all notifications are authorised to meet deadlines and minimise errors. Monitor issues and promptly raise any areas of concern with your line manager.
- Maintain relevant entries on employee records e.g. Oracle ESR, call log system and electronic personnel files ensuring the quality and integrity of employee data, adhering to Data Protection. Accurately log telephone and e-mail enquiries as required. Retrieve data to support responses to enquiries and correspondence, offer advice and solutions to provide timely resolution or escalation as appropriate.
- Actively keep up to date with relevant regulations, legislation and statutory requirements, including employment checks e.g. DBS, professional registration and terms and conditions for staff, other relevant local Authorities and School Academies. Establish and develop a good knowledge and understanding of a range of integrated HR/Payroll practice to operate flexibly across a variety of payrolls.
- Implement and review use of appropriate office systems and practice, making suggestions for improvements and applying any agreed changes. Contribute to the knowledge of the teams through team briefings and training to improve efficiencies of the team and response targets to deliver a customer focus service.

- Plan and organise own work, deal with both routine and unexpected tasks, work flexibly across the delivery function to meet demands on the business and support multi- disciplinary working.
- Be able to produce accurate manual payroll calculations from gross to net, crosscheck other Assistant's work, quality assure all reports including audit reports and take appropriate action. Produce appropriate and correct contracts and other employee documents in accordance with relevant terms and conditions.
- Develop and proactively maintain good working relationships with internal HR colleagues, managers and staff and external customers, clients and suppliers, by keeping in regular contact via e-mail, telephone, offering advice, solutions and information.
- Ensure work standards and Payroll Performance Indicator targets as set by the Team Leader are consistently met. Provide other functions, including Pensions, Finance and/or other organisations with all relevant data to ensure employees receive an excellent, seamless service. Communicate information you have identified that would be of value to the wider team or customers.
- Take part in projects and tasks that enhance the running of the HR Delivery team. Assist with user acceptance testing and system development / process improvement activities as required.
- Actively work towards Team and HR Delivery business objectives and team competencies set by the management team and incorporate Behaviours and Values. Provide a 'can-do' approach to your work and tasks and use initiative to make improvements with customer focus and efficiency at the forefront of your actions.
