

Directorate:	Adult Social Care and Health
Unit/Section:	Older People and Physical Disability
Grade:	KR 7
Responsible to:	Team Manager – Social Work

Purpose of the Job:

Within the local social care and health systems, support work with clients referred to the Social Work function and their support networks, or where additional consultant consultant social work is being provided to other services. Provide support that is appropriately coordinated and communicated effectively e.g. with clients, their support networks, agencies and other parties. Support a strengths based approach being applied by registered workers to assessment and care and support planning. Support best practice and continuous improvement to work as an effective member of the team.

Main duties and responsibilities:

1. Within relevant legislative and policy frameworks support work on appropriate and proportionate assessments, which consider strengths and capabilities and what support might be available from the person's wider network, family and friends.
2. Support work with individuals to develop strengths based care and support plans that ensure choice and control over support arrangements and which evidence that all interventions promote wellbeing, safety, independence and autonomy.
3. In conjunction with registered workers work with clients in partnership with their service provider and local health and social care network. Monitor, review and modify care and support plans with clients, and work with service providers to support clients in working towards their goals and outcomes to optimise their independence and wellbeing.
4. Support work with other teams and functions eg Promoting Independence, Supporting Independence, Safeguarding and Quality Improvement to ensure continuity of care and support, referring to registered workers in the social work team for advice and guidance to other workers where required.
5. Support integrated working with a range of teams, partner organisations and other parties to offer a broad range of options to clients and carers. Develop care and support arrangements, supporting clients and their carers to build and maintain

community links and optimise independence and wellbeing. Support and participate in multi-disciplinary meetings with partners to support complex needs.

6. Support social work interventions through developing an extensive knowledge of available resources, community assets and networks to support clients and their carers. Support a range of interventions by signposting clients to access the voluntary sector, information, advice and guidance.
7. Co-ordinate specialist interventions with social workers and other professionals to ensure that care and support is delivered in a person-centred and timely manner. Identify and refer any concerns to the relevant social worker or team to ensure clients are fully supported as required.
8. Create and maintain accurate, up to date and reliable data, information and records in line with information governance framework requirements, standards and best practice to ensure compliance with legislation.
9. Support transfer cases in a timely, planned manner to ensure that the quality and standard of services provided are at agreed levels. In conjunction with registered workers ensure that the care and support plan is updated reflecting the social work intervention, to guide ongoing support where required.
