

Directorate:	Children, Young People and Education
Unit/Section:	Disabled Children and Young People Lifespan Pathway 0-25
Grade:	KR7
Responsible to:	OT Team Manager / Senior Practitioner Occupational Therapist (SPOT)

Purpose of the Job:

Within the Disabled Children and Young People's Service (DCYPS)0-25 manage a caseload of less complex cases where the eligibility criteria for Children and Young peoples Occupational therapy service is met.

Support families by enabling them to maximize their child's /young person's independence within the home, thus improving the quality of life through training on adaptive techniques, the provision of equipment and /or minor adaptations and support with re-housing to meet their assessed eligible needs.

Develop action plans with families based on promoting independence and supporting an appropriate level of resource to meet their assessed eligible needs, taking into account any requirements under national legislation, Directorate and Corporate policy and procedures.

Main duties and responsibilities:

- Be the first point of OT service contact with disabled children, young people and carers to gather essential information for the triage OT assessment and identify current needs and outcomes. Also conduct functional assessments of a child or young person with disabilities and or their carers to establish their capacity to achieve activities of daily living through enablement solutions e.g. the provision of equipment and minor adaptations or use of adaptive techniques.
- Document the young persons eligible needs and identify the intervention required using cost effective outcomes according to the Directorate's resource allocation policy. As the first and sometimes only contact with Social Services it is important that records are clear, concise, evidenced and accurate. Write and verbally present reports for and attend formal meetings including reviews, case conferences and funding requests as required.
- Identify and refer any safeguarding issues and environmental risks in line with directorate policy and practice requirements taking forward appropriate actions and communication with supervisor/OT manager or SW Team manager/duty social worker. Make record of advice given and provide relevant information to enable OT/Social Workers to carry out thorough investigations or to make informed decisions concerning OT recommendations/care plans ensuring that the welfare of the child is paramount.

- Monitor and review the customer experience of the DCYP OT service and associated services e.g. technicians, KCC equipment provider and housing. To ensure that all services are delivered to agreed specification and standard and continue to be appropriate. Arrange changes in service delivery in consultation with line managers as necessary to continue to meet the assessed need.
- Develop and maintain a good working relationship with statutory agencies, such as local housing providers, District Councils, Home Improvement Agencies, NHS Trusts and Education. Also build effective links with voluntary and private agencies in the independent sector. These should facilitate an effective service delivery and ensure that positive outcomes for disabled children/young people are achieved, as identified in their needs assessment.
- Communicate effectively with children, families, carers and other key professional contacts on a range of issues, some of which may include having difficult conversations in relation to what a family need to address for themselves. The OTA may advise on the need to seek assistance from other services such as housing, social workers, education, NHS staff, and voluntary/private sector organisations.
- Demonstrate safe use of equipment including moving and handling equipment and recommend, specify and arrange the provision of equipment and adaptations for families living in all tenure of property. Review the use of both adaptations and equipment to ensure the clients needs are met.
- Support families to identify housing needs and provide information e.g. Housing Needs Reports , to enable a family to seek appropriate housing (where applicable liaising with local housing departments /providers). It maybe requested that the DCYP OT service views a property the family/youngperson are considering in order to advise on its suitability. An OTA may undertake a property viewing where extensive major adaptations are not anticipated.
- Undertake relevant training including trusted assessor and moving & handling core training to fulfil the responsibilities of the role. Accountable for own performance regarding adherence to the Directorates policies relating to assessment, equipment & adaptation provision ,reviews and record keeping.
- Undertake such other responsibilities to assist in the day to day operation of the DCYP OT team and where appropriate the wider Disabled Children & Young People's Service as defined by supervisor and/or line manager e.g joint working with other professionals and support staff.
