

## Kent County Council

Job Description: *Domestic Abuse Specialist – Integrated Children’s Services, Family Drug and Alcohol Court (FDAC) team*

---

<b>Directorate:</b>	<b>Integrated Children Services</b>
<b>Unit/Section:</b>	<b>Children, Young People and Education</b>
<b>Grade:</b>	<b>KR9</b>
<b>Responsible to:</b>	<b>FDAC Service Manager</b>
<b>Hours:</b>	<b>37</b>

### **Purpose of the Job:**

Kent County Council (KCC) is committed to making Kent a county that works for all children. As part of this commitment the Family , Drug and Alcohol Court is being developed to help families where children are put at risk by parental substance misuse, mental ill health and domestic abuse with the emphasis to provide a bespoke problem solving approach to promote parental and family recovery.

The purpose of this role is to provide expertise, assessment and support to families where domestic abuse is prevalent and who require the specialist interventions of a Domestic Abuse Specialist worker. The post is part of a multi-disciplinary team providing assessments and support to families and working closely with the court to achieve the best possible outcomes for children.

### **Main duties and responsibilities:**

- To be an active member of the multi-disciplinary FDAC team in developing joint working approaches to meet the referred family’s needs.
- To undertake assessments and work in community-based settings or family homes as appropriate. This will often necessitate autonomous work, within the context of multi-disciplinary teamwork
- Proactively provide consultation, information & advice, assessments and court reports regarding specific families on issues relating to Domestic Violence to support the FDAC model. You will also be required to attend court.
- To provide a range of interventions such as harm reduction services, including advice, information, counselling, cognitive behavioral therapy, motivational interviewing and other forms of supportive therapy with parents who are working with the FDAC Team.
- Actively participate in various team meetings, as well as multi-agency meetings to generate and share intervention plans for each family, prioritising the needs of the child’s(ren). This will include supporting the development of pathways into these agencies and share learning and adoption of best practice in relation to evidence-based approaches to working with adults with complex problems.
- To develop positive working relationships and advocate for parents and families within a wide range of statutory and voluntary organisations.
- To be involved in the development and implementation of new practice, policies and guidelines.

- To maintain a high standard of record keeping for internal and external use and maintaining good communications with referrers and other professionals involved. In line with KCC policies and in keeping with GDPR and data protection regulations.
- To be involved in the development and monitoring of standards of care, research and outcomes to enhance and develop good clinical practice within the FDAC team. To regularly review recovery plans with service users and ensure that goals are SMART and cover all relevant domains of treatment. To ensure that all activity and information is recorded in a timely manner on the Kent system, within time frames specified
- To support the planning and implementation and development of systems for the evaluation, monitoring of the service offered by the FDAC Team and actively participate in regular reviews to enable continual improvement of the service.
- Proactively keep up to date on developments and research in Domestic Abuse and attend the appropriate training and development programmes.

Footnote: This job description is provided to assist the job holder to know what his/her main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
