

# Kent County Council

## Job Description: *Fostering Social Worker*

---

**Directorate:** Children, Young People and Education

**Unit/Section:** Specialist Children's Services

**Grade:** KR9

**Responsible to:** Team Manager

**Purpose of the Job:**

Demonstrate effective practice in managing a complex and varied caseload of carers working with children in care. With the support of regular supervision from the Team Manager, manage risk and uncertainty, using assessment, planning, implementation and evaluation skills, contributing to the effective application of resources to safeguard and promote the welfare of children, their families and foster carers.

Be able to support recruitment, training and retention initiatives with and for carers. Identify and develop areas of knowledge and expertise, sharing these with colleagues and other professionals. Take an active role in effective team working and understand the team's relationships with other services. The postholder will be working in line with the Social Care Capability Framework.

**Main duties and responsibilities:**

- Manage a caseload which will include complex and diverse cases, requiring skills in respect of assessment, analysis, planning and review, to effectively meet the needs of foster carers, the children in their care and their families. The caseload will be managed within the relevant framework of supervision dependent on the complexity of the case and post qualification experience of the post holder.
- Contribute to and review the development of ongoing initiatives to achieve a more effective use of resources within Children & Families Services.
- Initiate and develop close working partnerships with statutory agencies, voluntary and private sector agencies, carers and those with parental responsibility in order to facilitate effective service delivery.
- Supervise and manage foster carers and support recruitment initiatives to ensure that there is a suitable range of placements to meet the needs of the children.
- Inform, advise, counsel, support and assist in the training of carers, individually and in group settings, in order to promote the stability and security of foster placements for children with disabilities.
- Be involved in the Review of foster carers and where appropriate effectively challenge views and practices in order to promote the best outcomes for children.
- Ensure that information systems, i.e. Liberi, and records are effectively maintained (with an understanding of information security policy) to provide up-to-date and accurate information, upon which decisions affecting service delivery can be made.

- Maintain a personal awareness of legislation, departmental and corporate policies and procedures (particularly those relating to Fostering, Children in Care, Children in Need and Child Protection) acting in line with these to ensure consistency and a high quality of service delivery across the Directorate.
- Attend training courses and other development opportunities as agreed with line manager to ensure compliance with Social Work England requirements.

Footnote: This job description is provided to assist the job holder to know what his/her main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.

**Directorate:** Children, Young People and Education  
**Unit/Section:** Specialist Children's Services  
**Grade:** KR10  
**Responsible to:** Team Manager

### **Purpose of the Job:**

Demonstrate effective practice in managing a complex and varied caseload of carers working with children with disabilities. With the support of regular supervision from the Team Manager, manage risk and uncertainty, using assessment, planning, implementation and evaluation skills, contributing to the effective application of resources to safeguard and promote the welfare of children, their families and foster carers.

Be able to support recruitment, training and retention initiatives with and for carers. Identify and develop areas of knowledge and expertise, sharing these with colleagues and other professionals. Take an active role in effective team working and understand the team's relationships with other services.

The post holder should be working in line with the Competency Framework.

### **Main duties and responsibilities:**

- Manage a caseload which will include complex and diverse cases, requiring skills in respect of assessment, analysis, planning and review, to effectively meet the needs of foster carers, the children in their care and their families. This will be in line with the competency standards set out in the Competency Framework and the knowledge and skills statement for approved child and family practitioners. The caseload will be managed within the relevant framework of supervision dependent on the complexity of the case and post qualification experience of the post holder.
- Contribute to and review the development of ongoing initiatives to achieve a more effective use of resources within Children & Families Services.
- Initiate and develop close working partnerships with statutory agencies, voluntary and private sector agencies, carers and those with parental responsibility in order to facilitate effective service delivery.
- Supervise and manage foster carers and support recruitment initiatives to ensure that there is a suitable range of placements to meet the needs of children.
- Inform, advise, counsel, support and assist in the training of carers, individually and in group settings, in order to promote the stability and security of foster placements for children with disabilities.
- Be involved in the Review of foster carers and where appropriate effectively challenge views and practices in order to promote the best outcomes for children with disabilities and their birth families.

- Be involved in the recruitment, training and assessment of foster carers for children with disabilities to ensure that there is a suitable range of placements to meet their needs within the District and across the County and to facilitate the fostering process.
- Ensure that information systems, i.e. Liberi, and records are effectively maintained (with an understanding of information security policy) to provide up-to-date and accurate information, upon which decisions affecting service delivery can be made.
- Maintain a personal awareness of legislation, departmental and corporate policies and procedures (particularly those relating to Fostering, Children in Care, Children in Need and Child Protection) acting in line with these to ensure consistency and a high quality of service delivery across the Directorate.
- Attend training courses and other development opportunities as agreed with line manager to ensure compliance with Social Work England requirements.
