

<b>Directorate:</b>	<b>Adult Social Care and Health</b>
<b>Unit/Section:</b>	<b>Countywide Provision</b>
<b>Grade:</b>	<b>KR10</b>
<b>Responsible to:</b>	<b>Team Manager/Advanced Practitioner</b>

**Purpose of the Job:**

To work with people on a forensic pathway many of whom have complex and diverse needs utilising, person-centred and strengths and rights-based approaches. Work in co-production with a range of statutory and non-statutory partners, people who use our service, and carers to maximise access to community and wellbeing resources. This will include person-centred assessment, planning, implementation, and evaluation of appropriate action, to ensure that resources are utilised effectively to empower the people who use our services and to safeguard and promote their welfare and that of others. The post-holder should be working at the level of capability set out in the Professional Capability Framework (PCF) and the Kent Social Care Capability Framework for "Experienced Social Worker".

The postholder should also practice as a mixed role Approved Mental Health Professional (AMHP) and take a lead on areas including safeguarding, self-neglect, mental capacity, self-directed support, social supervision, and the professional development of others and will raise the standard and quality assure practice within the team by contributing to training initiatives and participating in areas of research.

**Main duties and responsibilities:**

- Develop strong links with primary and secondary care statutory partnership organisations, and the voluntary sector order to offer an integrated response to people who use our service and carers which promotes independence and empowers individuals to develop their own care and support plans and to reduce the need for ongoing involvement with statutory mental health services in line with the Care Act.
- Have responsibility for working people with complex and diverse needs. This will include the assessment, development and review of care and support plans and community care and residential packages, in collaboration with primary and secondary care colleagues, enablement services, and voluntary sector staff, to effectively meet the social care and section 117 Mental Health Act (MHA) needs of the people who use our service and their carers. Monitor the use of resources to ensure their effective utilisation in line with service delivery requirements.
- Undertake enquiries into complex safeguarding and self-neglect concerns following consultation and direction by the locality designated senior officer, ensuring

adherence to the requirements of the Care Act, Mental Capacity Act and multi-agency safeguarding protocols.

- Provide a range of written and verbal reports to inform multi agency, legal and national bodies and organisations decision making processes including the consideration and analysis of risk.
- Undertake other duties appropriate to your role. This will include practicing as a mixed role AMHP, providing high quality reflective supervision for qualified/unregistered social care staff/social work students to develop their skills, expertise and practice while promoting, self-directed support and co-production. Support social workers to progress their work with people, minimising the risk of dependency and providing short term social work intervention. Undertake the role of social supervisor for people subject to Ministry of Justice restrictions and practice as a BIA assessor if required.
- Contribute to and review the development of the forensic social work service to achieve a more effective use of resources and to develop joint working practices with a range of other services to ensure a holistic approach to people who use our service and their families/ networks, including those in transition between services.
- Actively participate in, and contribute to your own supervision and team meetings, to ensure that the service utilises a robust evidence and research base to inform the interventions offered and to ensure that continuous professional development is maintained. Attend mandatory and core training courses as agreed in your Total Contribution Pay (TCP) action Plan. Actively pursue development opportunities to address gaps in your knowledge, skills, and practice to achieve progression in line with the PCF.
- Ensure information systems and client records are effectively maintained and shared as appropriate in accordance with KCC Adult Social Care & Health policy to provide up-to-date and accurate information, upon which decisions affecting service delivery can be made.
- Maintain an awareness in changes in mental health theories, legislation, KCC policies, local and agency practices to disseminate knowledge and contribute to the delivery of a high standard of service. Take the lead for collating and disseminating developments in the evidence base for Mental Health practice.

Footnote:

This job description is provided to assist the job holder to know what their main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
