

Directorate	Children, Young People and Education
Unit/Section	Community Learning and Skills (CLS)
Grade	KR8
Responsible to	Multiply Project Coordinator

Purpose of the Job:

Provide innovative and effective Maths tutoring which enable learners to meet their goals within the Multiply programme.

Contract Type and Duration:

Part-time flexible hours to March 2025 (permanent relief form of contract)

Accountabilities:

1. To carry out initial and diagnostic assessment to inform high quality, innovative delivery, which challenges and inspires learners and includes clear objectives, involving learners in the planning, review and evaluation process.
2. To deliver effective and high quality negotiated numeracy provision across a range of ability groups (Entry 1 – Level 2) to meet all relevant academic and funding criteria and which enables learners to meet their personal learning goals.
3. To continuously monitor course effectiveness and assess learner development through individual learning plans to inform teaching strategies which ensure learner and programme success.
4. To deliver general advice and guidance with reference to progression, pre-course information, including specification of course entry criteria, the availability of financial and practical help, assessment and examination procedure (where applicable).
5. To design and produce relevant, contextualized and motivational teaching materials, undertaking necessary research in order to deliver programmes to fulfill the requirements of the awarding bodies and the needs of the learners.
6. To demonstrate subject knowledge and up to date expertise, using a variety of appropriate methods, styles and learning materials at a level consistent with effective teaching and assessment of the programme, including ICT, group and individual work.
7. To promote and use technology and online learning systems, including virtual delivery, to improve outcomes for learners

8. To ensure all administrative procedures are kept up to date prior to, during and after the course (ie keeping a register, marking work, monitoring absence, completing funding documentation and accreditation requirements) to ensure all KAE and awarding body quality procedures and funding requirements are met.
9. To maintain professional and quality standards and take an active part in KAE and Institute for Learning skills Continuing Professional Development requirements, to ensure continuous improvement of the Service.
10. To manage the role of teaching assistant or Learning Support Assistant, and volunteers where applicable, within the learning environment. To plan their support and integration into the lesson plan.
11. To attend and contribute to team meetings, standardisation meetings and IQA activity as required.
12. To deliver Health and Safety and other specialist inductions and responsibilities (ie, basic or specialist Health and Safety induction, ongoing activity risk assessments) to an appropriate level to ensure compliance with KAE policies and procedures.
13. To implement and promote KAE Equal Opportunities requirements in all aspect of the tutor role.

Footnote: This job description is provided to assist the job holder to know what his/her main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
