

Kent County Council

Job Description: Team Manager

Directorate:	Adult Social Care and Health
Unit/Section:	Thanet and South Kent Cost Safeguarding team
Grade:	KR12
Responsible to:	Service Manager

Purpose of the Job

Support with the management of the Safeguarding operational team of both registered and unregistered staff providing a range of services within the functions of the operating model for Adult Social Care. Support with the efficient working and performance of the team, ensuring adherence to the policies and procedures of the Council. Utilise agreed monitoring and review methods such as performance reports, staff supervision and workforce reports, develop the team's knowledge base and expertise to ensure services are delivered and meet the standards required whilst promoting closer integrated working with partnership agencies and local care systems

Main duties and responsibilities:

1. Manage a team of registered and unregistered staff in the delivery of safeguarding for adult social care. Ensure all staff adhere to policies, procedures, the Safeguarding Adults Framework, Mental Capacity Assessment and Best Interest requirements in assessing the needs of people we support.
2. Ensure staff produce, monitor, review desired outcomes for the people we support. Manage the response to crisis intervention to meet immediate requirements and reduce risk.
3. Lead the maintenance of high practice standards and enable continued development of professional skills that meet service requirements. Provide a high-quality resource of professional advice, guidance, and expertise to staff in the team, across the Directorate and to professionals from other partner agencies.
4. Responsible for communication with other Team Managers to ensure the individuals transfer through the pathway and other teams' involvement is in a seamless way.
5. Lead the continuous improvement of practices, procedures, and initiatives to support high quality service delivery in conjunction with other key professionals. Identify and escalate issues of operational practice and inter-agency working that require improvement or development within Adult Social Care; and/or partner agencies including CQC, Strategic Commissioning, and NHS
6. Ensure that concerns are referred to the relevant team, so individuals are fully supported as required. Monitor the progress of Safeguarding activity and local practices through audit and

review and ensure compliance with Safeguarding and Vulnerable Adults protocols and procedures.

7. Keep abreast of changes and new initiatives in practice, including changes in legislation, Adult Social Care and Health Directorate and Health policies, and guidance from relevant national organisations to ensure that these are reflected in policy and practice delivered within the locality.

8. Support performance management across the locality, reviewing performance weekly to maintain required level of performance. Support the Service Manager in monitoring and taking action in wider Divisional service performance.

9. Support the Service Manager in the implementation and development of partnership working with Local Care systems and other agencies. Ensure staff co-ordinate interventions with other professionals to ensure that care and support is delivered in a person-centred and timely manner. Ensure that local practitioners are responsive to and knowledgeable about the local community and services available.

11. Alongside the Service Manager, undertake business and workforce planning, recruitment of staff, induction, and development of staff (including students) utilising the Social Care Capabilities Framework, promoting quality in care as the underpinning standard of practice. Ensure there is a system in place for monitoring the outcomes from learning and development and application of knowledge and skills acquired. Manage and resolve any staffing issues, working with HR as appropriate.

12. Support with the communication for customer care and complaints handling in relation to relevant activity where required, promoting a high standard of customer care within the team, handling of difficult messages and consistent communication to clients, colleagues, and staff.

13. Support the Service Manager in building resilience within the team, responding to emergency planning issues and ensuring there are always business continuity arrangements in place.
