

Kent County Council

Job Description: Business Support Lead – Practitioner Support

Directorate: Children, Young People and Education
Unit/Section: Integrated Children's Services - Business Support
Grade: KR6
Responsible to: Senior Business Support Lead

Purpose of the Job:

To oversee and co-ordinate the provision of a business support service to practitioners to ensure the effective delivery of services to children, young people and families.

To supervise a team of Business Support Officers.

To take a proactive role in ensuring effective processes are in place to ensure the day to day functioning of the service.

Main duties and responsibilities:

- To provide a business support function to a team and service manager/s.
- To assist with recruitment, and lead on day to day supervision of business support staff, promoting development and training and making performance assessment recommendations, including monitoring work quality, volume and timescales. Identify and support the management of any performance issues. Communicate effectively with the Senior Business Support Lead. Upskill and identify staff for future career development.
- Support with the recruitment and induction of practitioner staff within the service.
- To ensure that there is adequate cover in place to provide an efficient and effective support and administrative service across the team/service.
- To provide a comprehensive business support function to the service/team managers, tracking responses and monitoring data within the appropriate timescales where necessary, in order to enable the service to discharge its duties effectively.
- To act as the central point of contact for enquires for the team/service for both internal and external customers, professionals and the public.
- To arrange and prepare for meetings on behalf of the service, ensuring that they run effectively and that accurate records are distributed as appropriate.
- To continuously review team and system processes and identify opportunities for improvement, scoping options for change and implementing change in process and/or staffing.

- To monitor performance relating to the Business Support Team using a range of electronic information, for example in relation to timescales and data quality, etc.
- To assist the service in managing performance and accuracy of data. To coordinate with ICT and the Management Information Unit on local issues, including the provision of equipment for staff. To implement and ensure the maintenance of systems to support a consistent approach throughout Integrated Children's Services in line with agreed procedures.
- To oversee the administration of financial systems relating to expenditure and income, e.g., i-procurement management for processing orders and invoices, monitoring expenditure, purchase card transactions, managing Imprest accounts and processing changes, in accordance with financial regulations and directorate procedures.
- To participate and engage with service and county-wide Business Support meetings and events.
