Introduction to Kent County Council

We are the UK's largest local authority, with a workforce in excess of 30,000 people, including maintained schools, serving a population of 1.5 million. We have various offices in central locations and a large number of service establishments throughout Kent; our corporate office is based in Maidstone.

More than two thirds of our workforce provide services directly to the public – such as domiciliary Care Workers, Classroom Assistants, Social Workers, Teachers, and Occupational Therapists etc.

Our annual budget covers a huge range of services. This translates into a host of interesting roles and career paths awaiting those who want to work in a leading edge public sector organisation.

Visit our website, www.kent.gov.uk

Aims and objectives

Our focus is to work as one council to design and deliver a cohesive, modern public service offer for all Kent's residents, businesses and communities. This will bring together change projects consistently across the council and create organisational design opportunities to transform the way we work, including our people, assets, technology, structures and service delivery.

Success in delivering this aspiration will be determined using the following criteria:

- Working beyond the limit of organisational and service boundaries
- Thinking beyond the limit of our statutory powers
- Building capacity to provide sector and system leadership
- Delivering at both strategic and local scale
- Supporting economic security
- Delivering a cohesive service offer
- Flexibly using assets as part of public service design and delivery

Framing Kent's Future is our top-level council strategy for 2022 to 2026. It sets out the priorities that we will focus on over the next four years to tackle the challenges and make the most of the opportunities that the county is facing. Through delivering these priorities, our aim is to improve life in Kent and build a solid foundation for the county's future success.

<https://www.kent.gov.uk/about-the-council/strategies-and-policies/framing-kents-future>

The Strategic Reset Programme

The Strategic Reset Programme (SRP) is a multi-year transformation programme, bringing together both new and existing programmes and projects across Kent County Council. The programme will prepare us for the opportunities and challenges ahead and ensure that significant activities will be delivered in a collective, timely and disciplined way, with a strong focus on improving outcomes and realising tangible benefits.

Political Arrangements

The County Council has 81 councillors and elections take place every four years.

The political composition of the County Council is as follows:

Reform	57 members
Liberal Democrat	12 members
Conservative	5 members
Green Party	5 Members
Labour	2 members

The Leader of Kent County Council is Linden Kemkaran.

There is a Cabinet of Executive Members which meets regularly to debate policy issues and make key decisions. The cabinet comprises of:

Linden Kemkaran	Leader of Kent County Council
Brian Collins	Deputy Leader of Kent County Council
Diane Morton	Cabinet Member for Adult Social Care and Health
Paul Webb	Cabinet Member for Community and Regulatory Services
Matthew Fraser Moat	Cabinet Member for Department of Local Government Efficiency
Paul King	Cabinet Member of Economic Development and Coastal Regeneration
Beverley Fordham	Cabinet Member for Education and Skills
David Wimble	Cabinet Member for Environment
Christine Palmer	Cabinet Member for Integrated Children's Services
Peter Osborne	Cabinet Member for Highways and Transport

Structure of KCC

The structure of the organisation is as shown [here](#)

The Senior Officer team consists of six Corporate Directors. For more information on the Corporate Management Team please follow this [link](#)

The three directorates and two departments are as follows:

Adult Social Care and Health

The Directorate commissions and provides a range of services to improve outcomes for older and vulnerable adults, including those with mental health issues or disabilities, and their families. The Directorate supports vulnerable adults to live independently by promoting their wellbeing and supporting their independence. Services for adult mental health and learning disability already work in integrated teams with NHS colleagues and as a key partner in the Kent and Medway ICS we are developing multi-disciplinary teams within communities to support local care.

Responsible for services that include:

Public Health, Adults Central Referral Unit, Adult Community Teams, Safeguarding and quality, Kent Enablement at Home, Sensory and Autistic Spectrum Conditions Service, Integrated/Registered Care Centres, Day Centres, Community Learning Disability Teams, InHouse Provision, Mental Health Services.

Growth, Environment and Transport

The Directorate comprises a range of key frontline, strategic, policy and commercial functions, and plays a major role in making Kent a better place to live, work and visit. The services provided, and the future the directorate helps to shape, affects every household in Kent. This includes strategic responsibility for the future of the county in terms of planning, economic development, transport policy, and major transport improvement schemes, waste disposal and recycling services. In addition, GET manages country parks; libraries; and delivers enforcement services including trading standards, community safety and emergency planning.

Responsible for services that include:

Highways, Transportation & Waste, Regulatory Services, Economic Development, Community Safety & Emergency Planning, Libraries, Registration & Archives, Sport & Country Parks, Arts including Kent Film Office, Development Planning, Planning Applications, North Downs Areas of Outstanding Natural Beauty, Flood Risk & Environment, Sustainability & Climate Change and Heritage Conservation

Children, Young People and Education Directorate

This Directorate combines and integrates the statutory responsibilities of Specialist Children's Services together with Education services and the targeted and universal services for children and young people within Early Help and Preventative Services. There is a strong focus on alignment of resources to help ensure achievement of one of the key County Council strategic outcomes: 'Every child and young person in Kent gets the best start in life'. To improve outcomes for children and young people, services within the Directorate are working together with relevant partners to deliver the vision set out in the Children and Young People's Services Integration Programme.

Responsible for services that include:

Children's Social Care, Adoption & Fostering, Standards & School Improvement, Skills & Employability, Early Years and Childcare, Provision Planning, Fair Access, Educational Psychology, SEN Assessment & Placement, Youth Justice, Outdoor Education Centres, Children's Centres and Youth Hubs, Inclusion & Attendance, Early Intervention and Community Learning & Skills and Disabled Children and Young People Teams.

Chief Executive's Department and Deputy Chief Executive's Departments

The Departments support the delivery of our front-line services. The Directorate leads and coordinates major change, Organisational design and development and provides a critical client and contracting role with our trading companies including legal and customer contact. It provides Organisational wide governance, financial management and a major contribution to our political and external relationships.

Responsible for services that include:

Strategic Commissioning, Finance, Strategy, Policy, Relationship and Corporate Assurance, Governance, Law and Democracy, Technology, Strategic Reset Programme team, Marketing and Resident Experience, Infrastructure – ICT and property, Human Resources and Organisational Design, Health and Safety, Business Management and Client Relationships.

Job Description

Employing organisation	Kent County Council
Job Title	Consultant in Public Health leading in Health Intelligence, Research and Development, Education and Training (Full time)
Directorate	Adult Social Care and Health
Unit/Section	Public Health
Grade	KSN: £89,579 to £109,309 (<i>With potential to offer a market premium dependent on experience</i>)
Responsible to	The postholder will be dually accountable: Managerially to the Director of Public Health Professionally to Kent County Council
Working arrangements	Hybrid working with office site base as Maidstone

Job outline: On behalf of Kent County Council (KCC), the postholder working with the Director of Public Health improving the health and wellbeing of residents, reducing inequalities in health outcomes and protecting local communities from public health hazards (infectious diseases and environmental threats). The postholder will contribute to public health priorities, working with the Director of Public Health in the leadership of public health, and the delivery of public health improvement, health protection and health intelligence in Kent and the discharge of local authority public health functions.

A key portfolio area for this post is providing analytical leadership in collaboration with the NHS, overseeing the public health and population health intelligence function including Joint Strategic Needs Assessment (JSNA) development process and innovation in advanced analytics such as health system modelling.

Other areas include developing and leading local authority health research, innovation and improvement work, expanding Public Health training placements to wider professional groups, advocating the importance of system thinking skills in public health practice.

Job accountabilities:

Overseeing the development of the JSNA which will include regular reporting to strategic boards.

Develop and utilise information and intelligence systems to underpin public health action across disciplines and organisations, leading collation, and interpretation of relevant data.

Lead and contribute to public health research, and/or commission research audits/projects, and/or undertake research or audit.

Lead on the development of needs assessments and contribute to strategic documentation, commissioning recommendations and evaluations and review of clinical practice for local populations and services.

Lead on the education and training function which include responsibility for maintaining and improving our department's specialist training location for specialty registrars and other professional groups (Foundation Year Doctors and Public Health Specialist Trainees, etc) .

Lead on the continue development and expansion of research, innovation and improvement covering a range of activities such as governance and ethics, facilitation funding applications team capacity building and multi-agency collaboration.

Work with, promote and maintain relationships a wide range of complex stakeholders with differing needs in a changing environment to deliver change in health status and clinical practice, encouraging collaborative working between stakeholders by way of formalised care and referral pathways.

Lead on the development and delivery of a credible plan to improve health and wellbeing of communities in Kent County Council and reduce health inequalities, especially in the areas of the portfolio.

Lead on incorporating the prevention agenda, designing and setting a robust evaluation and monitoring framework to ensure that it is making an impact on the urgent care side.

Provide expert public health advice and leadership to support and inform an evidence-based

approach within ethical frameworks for commissioning and developing high quality equitable services, across primary, secondary and social care, and across sectors including local authorities, voluntary organisations, etc.

Responsible for development, implementation and delivery of national, regional and local policies, developing inter-agency and interdisciplinary strategic plans and programmes, with delegated Board or organisational authority to deliver key public health targets.

Supporting the implementation and monitoring of the Kent and Medway Integrated Care Strategy in its role as the statutory Joint Health and Wellbeing Strategy for Kent.

The postholder will be responsible for the line management of a small core team of staff members as well as participating in the matrix management of other staff members as and when required. Alongside the core team the postholder will also oversee trainees including registrars and GP trainees and other work experience students.

The postholder will be expected to participate in the KCC staff and professional appraisal scheme and department audits and ensure appraisal and development of any staff for which he or she is responsible and be accountable for the management of staffing resources and department budgets.

The postholder will act as an authorised signatory, and as the delegated portfolio budget holder will monitor and contribute to the formulation of department/service budgets and financial initiatives. Deliver to agreed budget and income targets.

Contribute to on call arrangements for emergency planning/health protection as appropriate depending on local arrangements.

Pursue a programme of CPD/ CME, in accordance with Faculty of Public Health requirements, or other recognised body, and undertake revalidation, audit or other measures required to remain on the GMC/GDC Specialist Register or the UK Public Health Register or other specialist register as appropriate.

Contribute to the public health 'core offer' to the Kent and Medway Integrated Commissioning Partnership.

Any other responsibilities and requirements that may arise according to the business requirements of the department and Council, as determined by the Director of Public Health.

Recruitment Selection Criteria

The qualifications, knowledge and experience criteria below will be used in shortlisting. Applicants should describe in their application how they meet these criteria.

Qualifications:

Inclusion in the GMC Specialist Register/GDC Specialist List/UK Public Health Register (UKPHR) for Public Health Specialists or within 6 months of CCT at the date of interview
Social work qualification

Applicants must meet minimum CPD requirements (i.e. be up-to-date) in accordance with Faculty of Public Health requirements or other recognised body

Masters in Public Health

Member of the Faculty of Public Health

[For full Faculty of Public Health Competencies please see page 20](#)

Experience:

Experience of working within a Project Management methodology

Experience in the successful implementation of changes within both the department, and in public health practice.

Experience of Supervision, operational management, training staff and managing resources within public health functions

Experience of managing both staffing and commissioning budgets

Skills and Abilities:

Ability to develop and implement PH strategy at a high level and apply this to the leadership of the workforce, ensuring that strategy is communicated at all levels

Ability to maintain a detailed focus in all aspects of work to ensure that all information sources are understood and acted upon according to PH strategy

Able to prioritise work according to PH strategy, and work well against a background of change and uncertainty, responding appropriately to unplanned and unforeseen circumstances

Able to think strategically, tactically and conceptually.

Able to communicate at a high level effectively orally and in writing in a variety of formats as appropriate with Chief Officers, Members, senior officers or partnership agencies and

Government Departments including dealing with the media and others as necessary.

Knowledge:

Ability to design, develop, interpret and implement policies in accordance with strategic direction and environmental changes.

High level of understanding of epidemiology and statistics, public health practice, health promotion, health economics, health care evaluation and a highly developed analytical skills using qualitative and quantitative data.

Understanding of social and political environment, the NHS, local authorities and social services

Knowledge of methods of developing clinical quality assurance, quality improvement and evidence based clinical and/or public health practice

Organisational Responsibilities

All Corporate Directors, Directors and Heads of Service have an explicit responsibility to work as part of a team to deliver, collectively, the agenda of the County Council. These are fundamental elements of their role not an addition and are summarised as follows

Whole Council

- Seek to improve the lives of all residents in Kent and the economy of Kent
- Act as corporate parent to the Council's Looked After Children
- Take an active role in promoting and ensuring the Council's responsibilities for safeguarding are met
- Understand, communicate and contribute to the delivery of KCC's strategic aims
- Meet statutory obligations and promote and ensure compliance with policies and procedures and the Council's Code of Conduct (Kent Code)
- Advise elected Members and support the democratic process
- Promote the Council brand and enhance the overall reputation of the Council
- Understand and monitor the measures of performance, including customer insight, which define successful outcomes for KCC services
- Maintain and ensure a relentless focus on the customer
- Act to support the Council-wide need to deliver services within budget, thereby avoiding an overspend that could damage the financial viability of the Council
- Overcome professional and service silos to achieve the County Council's objectives

Integration of Services

- Focus resources where they have the biggest impact
- Deliver services that are flexible and adaptable

- Integrate services within KCC and work with partner agencies to ensure a seamless customer experience
- Fully and inclusively engage all staff in the delivery of services, demonstrating the Council's leadership values and competencies

Embedding Commissioning and Engaging Relevant Markets

- Establish an outcome focused organisation
- Meet the financial regulations and standing orders of KCC
- Challenge the status quo and engage with the market to constantly improve
- Ensure all services are delivered effectively and efficiently
- Proactively and continuously seek to improve service delivery
- Proactively manage risk to avoid inertia whilst not exposing the Council to needless and avoidable challenge or loss

Managing Change

- Understand and support the Authority's overall change agenda
- Deliver required outcomes of service specific change on time and to budget
- Understand the quality of staff, support their development, nurture those with talent
- Identify the skills for the future and the level of staff through robust workforce planning
- Identify and deal with underperformance
- Deliver to agreed budget and income targets

Kent Values

- We are **brave**. We do the right thing, we accept and offer challenge
- We are **curious** to innovate and improve
- We are **compassionate**, understanding and respectful to all
- We are **strong together** by sharing knowledge
- We are all **responsible** for the difference we make

Our values enable us to build a culture that culture is:

Flexible/agile - willing to take (calculated) risks and want people that are flexible and agile

Curious - constantly learning and evolving

Compassionate and Inclusive - compassionate, understanding and respectful to all

Working Together - building and delivering for the best interests of Kent

Empowering - Our people take accountability for their decisions and actions

Externally Focused - Residents, families and communities at the heart of decision making

As a senior leader you will be expected to role model and drive the Council's cultural aspiration and its related values. In doing this the leadership traits we expect of you are:

- Courage and integrity
- Making a difference – sense of purpose
- Compassion and inclusion – community leadership
- Drive for results -
- Curiosity and learning

Working for Kent County Council

Salary and Notice

The appointment will be subject to 3 months' notice.

KCC pays salaries to bank accounts on the 25th of the month unless this falls on a weekend or public holiday.

Terms and Conditions

The appointment is subject to the terms and conditions contained within the Kent Scheme of Conditions of Service.

30 days annual leave is provided excluding Bank Holidays. You will also receive paid time off for public holidays plus a concessionary day at Christmas.

An excellent relocation package is available to assist with costs, including removal companies, temporary lodgings and professional expenses.

The postholder will be expected to provide a car for official journeys.

Personal Interests

Kent County Council policy requires all employees to declare membership of any organisation that falls within the following definition:

Any lodge, chapter, society, trust or regular gathering or meeting, which:

- is not open to members of the public who are not members of that lodge, chapter, society or trust;
- includes in the grant of membership an obligation on the part of the members to make a
- commitment (whether by oath or otherwise) of allegiance to the lodge, chapter, society, gathering or meeting; and
- includes, whether initially or subsequently, a commitment (whether by oath or otherwise)
- of secrecy about the rules, membership or conduct of the lodge, chapter, society, trust, gathering, or meeting

A lodge, chapter, society, trust, gathering or meeting as defined above, should not be regarded as a secret society if it forms part of the activity of a generally recognised religion.

Pensions

The post holder will have the choice of contributing to the Local Government Pension Scheme (LGPS). Further details will be available for the successful applicant.

Politically Restricted Posts

This is a politically restricted post which means that the post holder cannot stand for public elected office (other than to a parish council) and is subject to further restrictions on more general political activity.

Whole Time Employment

The person appointed will be required to devote their whole time service to the work of Kent County Council and should not engage in any other business without the express consent of the County Council.

Health and Safety Policy

The County Council recognises and accepts its responsibility as an employer, and will take positive action to ensure the health, safety and welfare of all employees and other persons who may be affected by its operations, by providing safe working conditions and a healthy and safe working environment.

Sickness Provision

Our sickness benefit scheme exceeds statutory requirements. Actual paid absence depends on how long you have worked for KCC and the circumstances of your absence. For example, after 6 years' service your benefit would be 6 months full pay and 6 months half pay.

Training and Development

KCC is committed to supporting staff to reach their full potential through annual appraisal and personal development plans, enhanced by a range of career development opportunities.

Managers from KSG to KSM will be required to undertake our Kent Manager standard programme within the first year of employment.

Green Travel

Our Green Travel Plan is exploring alternative modes of transport to improve travel choice and reduce congestion and pollution. This includes:

- Car sharing and emergency taxi home.

- Discounted fares, free tickets, trip planning and improved travel information.
- Pool car and bikes

Other benefits

KCC offers a range of family friendly policies including:

- A generous maternity scheme
- Emergency leave
- Parental leave • Special leave
- Help Fund – all employees have the opportunity both to pay into the fund and to apply for help from it when experiencing financial hardship
- An in-house confidential counselling service and Occupational Health Service
- Kent Rewards - discounts at over 1,200 retailers ranging from reduced rates at Health Clubs to house and car insurance to holidays

Living in Kent

With great schools, vibrant cities, golden beaches and stunning countryside Kent has lots to offer you. Find out more about [locations in Kent](#).

Faculty of Public Health Competencies

(Based on the 2022 PH Specialty Training Curriculum)

Use of public health intelligence to survey and assess a population's health and wellbeing

To be able to synthesise data from multiple sources on the surveillance or assessment of a population's health and wellbeing and on the wider environment, so that the evidence can be communicated clearly and inform action planning to improve population health outcomes.

Assessing the evidence of effectiveness of interventions, programmes and services intended to improve the health or wellbeing of individuals or populations

To be able to use a range of resources to generate and communicate appropriately evidenced and informed recommendations for improving population health across operational and strategic health and care settings.

Policy and strategy development and implementation

To be able to influence and contribute to the development of policy as well as lead the development and implementation of a strategy.

Strategic leadership and collaborative working for health

To use a range of effective strategic leadership, organisational and management skills, in a variety of complex public health situations and contexts, dealing effectively with uncertainty and the unexpected to achieve public health goals.

Health Improvement, Determinants of Health and Health Communications

To influence and act on the broad determinants, behaviours and environmental factors influencing health at a system, community and individual level to improve and promote the health of current and future generations. To be proactive in addressing health inequalities and prioritising the most vulnerable or disadvantaged groups in the population.

Health Protection

To identify, assess and communicate risks associated with hazards relevant to health protection, and to lead and co-ordinate the appropriate public health response. To understand how those risks associated with hazards relevant to health protection may be influenced by climate change and environmental degradation currently and in the future.

Health and Care Public Health

To be able to improve the efficiency, effectiveness, safety, reliability, responsiveness, sustainability and equity of health and care services through applying insights from multiple sources including formal research, health surveillance, needs analysis, service monitoring and evaluation.

Academic public health

To add an academic perspective to all public health work undertaken. Specifically, to be able to critically appraise evidence to inform policy and practice, identify evidence gaps with strategies to address these gaps, undertake research activities of a standard that is publishable in peer-reviewed journals, and demonstrate competence in teaching and learning across all areas of public health practice.

Professional, personal and ethical development

To be able to shape, pursue actively and evaluate your own personal and professional development, using insight into your own behaviours and attitudes and their impact to modify behaviour and to practise within the framework of the GMC's Good Medical Practice (as used for appraisal and revalidation for consultants in public health) and the UKPHR's Code of Conduct.

Integration and application of competencies for consultant practice

To be able to demonstrate the consistent use of sound judgment to select from a range of advanced public health expertise and skills, and to use them effectively, working at senior organisational levels, to deliver improved population health in complex and unpredictable environments.

CONSULTANT IN PUBLIC HEALTH /CONSULTANT IN PUBLIC HEALTH MEDICINE

****Applicants going through the portfolio registration routes (GMC or UKPHR) are not eligible to be shortlisted for interview until they are included on the register. The six-month rule does not apply to these portfolio route applicants.***

SHORTLISTING NOTES

Applicants in training grades

Medical and dental applicants

All medical/dental applicants must have Full and Specialist registration (with a license to practice) with the General Medical Council or General Dental Council (GMC/GDC) **or be eligible for registration within six months of interview**. Once a candidate is a holder of the Certificate of Completion of Training (CCT), registration with the relevant register is guaranteed.

Applicants that are UK trained must ALSO be a holder of a Certificate of Completion of Training (CCT) **or be within six months of award of CCT** by date of interview demonstrated by a letter from their Training Programme Director (TPD).

Non-Medical Applicants in training programme

All non-medical applicants must be registered with the UKPHR or be within six months of registration at the date of the interview. Applicants must provide proof (letter of confirmation from their TPD or the CCT) at interview.

Applicants in non-training grades

Applicants that are non-UK trained, will be required to show evidence of equivalence to the UK CCT. Applicants from a medical background will be expected to have gained full specialist registration with the GMC through the Certificate of Eligibility for Specialist Registration (CESR) route.

Applicants from a background other than medicine are expected to have gained full specialist registration with the UKPHR at the point of application.

Employers are advised that individuals should not take up consultant in public health posts (including DPH posts) until they have gained entry on to the appropriate register that is GMC or GDC or UKPHR Public Health Specialist Register. However, the employer should require evidence that they have joined the register before allowing an individual to take up a consultant post.

The above guidance applies to applications for both general and defined specialist registration with the UKPHR. Individuals with defined specialist registration are eligible for consideration for shortlisting for, and appointment to, consultant posts including those at DPH level. In all appointments, employers will wish to ensure that an applicant's areas of competence meet those required in the person specification.

GENERAL CONDITIONS

On call arrangements

The post-holder may be expected to be on call for health protection and public health and to participate in the communicable disease and environmental hazards control and emergency planning arrangements for Kent County Council. Suitable training will be provided for those who need it in discussion with the UK Health Security Agency. The post holder should be trained in EPRR and be able to support their organisation's responsibilities as a Cat 1 responder (including participation in STAC or other rotas depending on local arrangements).

Indemnity

As the post-holder will only be indemnified for duties undertaken on behalf of Kent County Council the post-holder is strongly advised to ensure that he/she has appropriate professional defence organisation cover for duties outside the scope of the Kent County Council and for private activity within Kent County Council. For on call duties provided to other organisations as part of cross cover out of hours arrangements the Kent County Council has confirmed that those organisations will provide indemnity for the post-holder. These arrangements may differ across the four countries.

Flexibility

The post-holder may, with their agreement - which should not reasonably be withheld - be required to undertake other duties which fall within the grading of the post to meet the needs of this new and developing service. The employing organisation is currently working in a climate of great change. It is therefore expected that all staff will develop flexible working practices both within any relevant local public health networks and at other organisational levels as appropriate, to be able to meet the challenges and opportunities of working in public health within the new and existing structures.

Confidentiality

A consultant has an obligation not to disclose (other than in accordance with GMC guidelines) any information of a confidential nature concerning patients, employees, contractors or the confidential business of the organisation.

Public Interest Disclosure

Should a consultant have cause for genuine concern about an issue (including one that would normally be subject to the above paragraph) and believes that disclosure would be in the public interest, he or she has a duty of candour and should have a right to speak out and be afforded statutory protection and should follow local procedures for disclosure of information in the public interest.

Data protection

If required to do so, the post-holder will obtain, process and/or use information held on a computer or word processor in a fair and lawful way. The post-holder will hold data only for the specified registered purpose and use or disclose data only to authorised persons or organisations as instructed in accordance with the UK General Data Protection Regulation (UK GDPR).

Health and safety

Employees must be aware of the responsibilities placed on them by the Health & Safety at Work Act (1974) and its amendments and by food hygiene legislation to ensure that the agreed safety procedures are carried out to maintain a safe condition for employees, patients and visitors.

Smoking policy The employing organisation has a policy that smoking is not allowed in the workplace.

Equal opportunities policy

It is the aim of the employing organisation to ensure that no job applicant or employee receives less favourable treatment on grounds of gender, religion, race, colour, sexual orientation, nationality, ethnic or national origins or disability or is placed at a disadvantage by conditions or requirements which cannot be shown to be justifiable. To this end, there is an Equal Opportunities Policy in place, and it is for each employee to contribute to its success.

Selection Process

Closing Date

This post will close at midnight on Thursday 21 August 2025. We reserve the right to close this vacancy at any time prior to the closing date.

For a confidential discussion, please contact Rebecca Martin at Panoramic Associates on 07488 889306 or Callum Gardiner on 07488 889113.

Selection Process

Interviews will be held on 12 September 2025.

As part of the interview process for this role you may be required to complete an occupational personality questionnaire prior to your interview.

How to Respond

Apply by completing the short form via <https://www.panoramicassociates.co.uk/kent-county-council/> including your Curriculum Vitae and personal statement.
