

Kent County Council

Job Description: *Trading Standards Investigator*

Directorate:	Growth, Environment and Transport
Unit/Section:	Trading Standards
Grade:	KR6
Responsible to:	Operations Manager, Complex Investigations Team

Purpose of the Job:

To support the Trading Standards Complex Investigations team in building criminal investigation cases, in an accurate and timely manner, in line with legislative requirements and internal policy and procedure. To support the Service on disruption activities and early intervention visits.

Main duties and responsibilities:

1. Assist Trading Standards Officers in the conduct of investigations by –
 - a. On instruction, follow lines of reasonable enquiry to support the progression of criminal investigations.
 - b. Take criminal witnesses' statements, including the production and retention of exhibits.
 - c. Produce personal witness statements and provide evidence in criminal proceedings where necessary.
 - d. Following correct continuity rules sample from bulk seizures, secure evidence from experts and maintain accurate property records.
 - e. Build case files, including disclosure schedules, throughout investigations and formal criminal proceedings.
 - f. Act as second officer, or where appropriate lead, during the formal interviews of suspects
 - g. Support on intelligence led days of disruption and early intervention visits.
2. Support the Service in operational activity as the Operations Manager may direct necessary (such as on entry warrants and other large-scale operations) to assist in delivery of the service

3. Follow all statutory and professional policies, procedures, and work practices to ensure all activity is provided in a professional, effective, and efficient manner to all service users.
4. Input data onto the information management systems used by Trading Standards to ensure accurate records of all activity undertaken are maintained, and are accurate, lawful, and fit for legal challenge. Adhere to all data management protocols.
5. Work to the Intelligence-led operating model and fully subscribe to the Tasking & Coordination Process. Proactively gather and report intelligence during all duties and completion of all taskings. Ensure information is accurate, of the highest quality and submitted to the Intelligence Team in a timely manner and in the appropriate format

Footnote: This job description is provided to assist the job holder to know what their main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
