

Directorate:	Growth, Environment and Transport
Unit/Section:	Structures Asset Management
Location:	Ashford Highway Depot
Grade:	KR5
Responsible to:	Structures Development Team Leader

Purpose of the Job:

To provide engineering support to the Structures Team. As a Fixed Term Placement Structures Engineer you will be placed in one of the three Structures Teams and will support the Team Leader in progressing various civil/structural engineering tasks and projects.

The post holder will provide technical advice, assist with general project management of schemes, along with associated financial control and administrative tasks.

Main duties and responsibilities:

1. Undertake civil/structural engineering roles for the respective Team Leaders, this may include assisting with approving designs for new structures or geotechnical assets, planning and implementing the inspection and assessment programme for existing assets or delivering our capital and revenue works schemes.
2. Assist with site visits and construction audits to ensure assets are being constructed in accordance with agreed and approved designs.
3. Assist in the preparation of risk assessments and method statements. Ensure compliance with Health and Safety legislation, e.g. CDM 2015.
4. Work with commissioned suppliers and third parties to ensure the efficient delivery of all commissioned works.
5. Ensure all project documentation and correspondence is logged and filed accurately.
6. Ensure communications, enquiries and complaints are managed sympathetically, accurately and in a timely manner in line with KCC procedures.
7. You will be required to provide assistance to other teams within the GET directorate, or any other part of KCC, from time to time as and when your skills and knowledge are required for particular projects and initiatives.

Footnote: This job description is provided to assist the job holder to know what his/her main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
