### Job Description: *Family Hub Practitioner 11-19 (25)*

---

<b>Directorate:</b>	<b>Children, Young People and Education</b>
<b>Unit/Section:</b>	<b>Integrated Children's Services</b>
<b>Grade:</b>	<b>KSE</b>
<b>Responsible to:</b>	<b>Family Hub District Manager</b>

#### **Purpose of the Job:**

To operate as a Family Hub practitioner within the Family Hub team in an agile fashion at a variety of outreach settings (including home visiting) within a district providing 1:1 and group support to Young People and their families.

To work closely with integrated children's services team to provide support for vulnerable young people and their families.

To work in partnership with a range of multi-agency providers including Schools, Police and District Councils and community organisations to improve outcomes for identified vulnerable children and their families.

To be knowledgeable and proactive in supporting and encouraging young people and their families to take advantage of the Family Hub Digital and Virtual offer and other routes of advice and guidance.

To provide expert guidance to families about young people's development and the pressures young people face to enable them to support their child to achieve health, wellbeing, and education outcomes.

To facilitate and support peer groups where required.

This postholder will be expected to work flexibly across the 11-19 (25 for young people with SEND (Special Education Needs and Disabilities)) age range but may also be required to support work across the wider age range where needs arise in the district.

The post holder will be expected to operate a Whole Family approach in their practice and work around the times of the Family. As such, this post will be expected to work flexibly including, on occasions, at evening and weekends, and will be co-ordinated by Management as required.

For permanent relief workers on zero hours contracts, the anticipated availability of the post holder, and the extent of work available to them, should be clarified in the interview process, and kept under review in supervision.

## **Main duties and responsibilities:**

- To plan and deliver focused support to young people and their families in the district through provision of 1:1 and topic-based group support. This may also include digital and online support.
- To provide 1:1 and topic-based group support to young people and their families who have been identified by ICS (Integrated Children's Services) to address issues highlighted by the assessment and plan. This will include contribution to assessments and plans where clear identified outcomes are to be achieved as part of the interventions.
- To work with young people and their families to minimise risks of contextual safeguarding and exploitation and develop greater awareness of safety.
- Using evidence-based practice, provide support for young people identified with social, emotional, and behavioural needs.
- To work with young people and their families/carers using evidence-based practice to support improved family relationships and support
- To support young people and their families to identify and build positive independent networks across local communities.
- To work to strengthen the resilience of young people and their families by supporting them to access Digital services and information and guidance
- To contribute to the District Contextual safeguarding strategy, identifying assessing and responding to places and spaces where there are increased risks for young people.
- To lead, plan and deliver parenting workshops or programmes throughout the year to parents of young people.
- To support the family in dealing with the complex situations that their young person may be experiencing. E.g. Drugs and Alcohol, Exploitation. Sexual Orientation, Gender. / Adolescent to Parent Violence, Youth Justice/Attendance/Transition,
- To work alongside multi agency partners, particularly schools to deliver high quality, evidence-based interventions to identified young people and families to improve outcomes.
- To ensure that outcomes are met, and key indicators are achieved in line with expected standards.
- To ensure that the lived experience and voice of the young person is central to all planning and delivery of support.
- To ensure that young people and their families are supported to participate in developing service design and service delivery as part of the co-design principle of Family Hubs,
- Maintain records to a high and consistent standard in and all relevant documentation in line with policy and ensure that all electronic systems are updated and maintained as appropriate.
- To ensure that the Supporting Families programme outcomes are supported.
- To work flexibly according to the needs of the community which may include evenings, weekends as and when required using Family Hub sites and outreach venues

Footnote: This job description is provided to assist the job holder to know what their main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
