

Kent County Council

Job Description: *Streetworks Coordinator*

Directorate:	Growth, Environment and Transport
Unit/Section:	Highways, Transportation and Waste – Highway Operations
Grade:	KSG
Responsible to:	East Kent Streetworks Manager

Purpose of the Job:

This is an exciting opportunity to work as a key part of the Streetworks coordination service within Highways. Kent County Council was one of the first Highway Authorities to run a fully permitted scheme which manages Kent's road network by planning and scheduling all works undertaken on the highway.

These works can include Kent County Council roadworks, Utility companies, developers, event organisers and others who need access to the network. The Kent Permit scheme ensures that access is managed in a way which ensures that essential works can be carried out whilst minimising disruption to residents and users of the highway.

The scheme also ensures that works are carried out safely, that the highway is reinstated to a good standard and that all opportunities through innovation and method of working are explored to reduce the time taken to complete roadworks.

This role would suite someone who is highly organised, is able to deal confidently with other organisations and has a good working knowledge of current New Roads and Streetworks legislation; the Road Traffic Regulation Act 1984 and Town Police Clauses Act 1847.

Main duties and responsibilities:

- Co-ordinate and plan the availability of the highway for use by others (including Kent County Council and utilities) by receiving, assessing and determining applications for use of the highway and including the checking and agreement of all traffic management proposals for any work on the highway including footways and cycleways. Give direction to consultants, contractors and the Highway Authority and provide advice and sharing knowledge of previous projects to better serve the public.
- Frequently manage complex works across boundaries internally and with other Highway Authorities including National Highways and Network Rail that span durations in excess of 1 year duration.
- Encourage the use of collaborative working amongst interested applicants to ensure KCC always meets its Network Management Duty.
- The role will represent Kent County Council at all Safety Advisory Groups and follow the terms of reference set out for those groups. Provide expert

knowledge on relevant legislations such as Town Police Clauses Act and interrogate event management plans. Judge the impact on the highway and surrounding networks.

- Attend site meetings and inspect any work on the highway as required to ensure a high standard of street works, traffic management, and safety in order to protect the highway asset.
- Process data for the co-ordination of roadworks using appropriate IT systems and for the inspection of sites as required under the NRSWA and TMA. Ensure the provision of roadworks co-ordination information for meetings and stakeholders.
- Manage the processing and inspection of permits and licences, including those for temporary traffic lights, skips, scaffolds, hoardings, materials placed on the highway, Section 50 works, Section 115E licences and sewer connections.
- Assessing third party work programmes and requesting changes to facilitate requirements of the network. Providing expert advice and on the local network and the impact all Streetworks will create to communities.
- Advise and direct Streetworks inspectors and enforcement officers to assist with these functions.
- Maintain and develop effective communications with Parish Councils, Members and other Council staff, external organisations, contractors and members of the public, etc. Work collaboratively with the contractors and consultants and to help in improving public satisfaction.
- Carry out day to day general administration duties regarding street works co-ordination and investigate and respond to enquiries, complaints and queries raised by staff and customers.
- Understanding and reacting to the political and economic impact of street works especially in times of economic sensitivity, seasonal and tourism pressures as well as community awareness.
- Organise and assist as required with emergency work of the Service, including outside of normal hours.
- Liaise with the Film Office and external Film location managers to give direction with the project management of the filming on the highway. This can often involve extensive negotiations with weighing up the impact of the works on the highway and associated interested stakeholders.
- Liaise with Kent Resilience Forum where necessary on matters of National Importance.
- Direction Signage.
