Kent County Council Job Description Public Health Consultant leading in Adults and Older People

Job Title Consultant in Public Health leading in Adults and Older People

Directorate Adult Social Care and Health

Unit/Section Public Health

Grade KR16 (£80,126 - £100,684)

Responsible to Director of Public Health

Purpose of the Job:

On behalf of KCC, the postholder working with the Director of Public Health improving the health and wellbeing of residents, reducing inequalities in health outcomes and protecting local communities from public health hazards (infectious diseases and environmental threats). The postholder will contribute to public health priorities, working with the Director of Public Health in the leadership of public health, and the delivery of public health improvement, health protection and health intelligence in Kent and the discharge of local authority public health functions. The main portfolio areas for this post will include adults and older people, including long term conditions, falls, frailty, dementia, cancers, adult safeguarding and policy analysis and integration.

Main duties and Responsibilities

- Lead on the development of needs assessments and contribute to strategic documentation, commissioning recommendations and evaluations and review of clinical practice for local populations and services
- Work with, promote and maintain relationships a wide range of complex stakeholders with differing needs in a changing environment to deliver change in health status and clinical practice, encouraging collaborative working between stakeholders by way of formalised care and referral pathways
- Lead on the development and delivery of a credible plan to improve health and wellbeing of communities in Kent County Council and reduce health inequalities, especially in the areas of the portfolio.
- Lead on incorporating the prevention agenda, designing and setting a robust evaluation and monitoring framework to ensure that it is making an impact on the urgent care side.
- Provide expert public health advice and leadership to support and inform an evidencebased approach within ethical frameworks for commissioning and developing high quality equitable services, across primary, secondary and social care, and across sectors including local authorities, voluntary organisations, etc.

- Responsible for development, implementation and delivery of national, regional and local policies, developing inter-agency and interdisciplinary strategic plans and programmes, with delegated Board or organisational authority to deliver key public health targets.
- Develop and utilise information and intelligence systems to underpin public health action across disciplines and organisations, leading collation and interpretation of relevant data.
- Contribute to public health research, and/or commission research audits/projects, and/or undertake research or audit.
- The postholder will be expected to participate in the KCC staff and professional appraisal scheme and department audits and ensure appraisal and development of any staff for which he or she is responsible and be accountable for the management of staffing resources and department budgets.
- The postholder will act as an authorised signatory, and as the delegated portfolio budget holder willmonitor and contribute to the formulation of department/service budgets and financial initiatives.
- Deliver to agreed budget and income targets.
- Contribute to on call arrangements for emergency planning/health protection as appropriate depending on local arrangements.
- Supervise the training programme for Foundation Year Doctors/SHOs/Specialist
 Registrars in Public Health Medicine and Public Health Specialist Trainees as
 appropriate and to the training of practitioners and primary care professionals within the
 locality.
- Pursue a programme of CPD/ CME, in accordance with Faculty of Public Health requirements, or other recognised body, and undertake revalidation, audit or other measures required to remain on the GMC/GDC Specialist Register or the UK Public Health Register or other specialist register as appropriate.
- Contribute to the public health 'core offer' to the Kent and Medway Clinical Commissioning Group.
- Any other responsibilities and requirements that may arise according to the business requirements of the department and Council, as determined by the DPH.

NB. Medically qualified members of the Public Health Team are expected to play certain roles in medical leadership, in relationships with the medical profession and in bringing a medical perspective to public health advice. A medically qualified holder of this post would be expected to share these roles with other medically qualified members of the team. The same will be expected for other professional qualifications

Corporate Responsibilities

All corporate directors, directors and senior managers have an explicit responsibility to deliver the collective agenda of the Council. These are fundamental elements of their role not an addition and are summarised as follows:

Whole Council

- Seek to improve the lives of residents in Kent
- Act as corporate parent to the Council's looked after children
- Take an active role in promoting and ensuring the Council's responsibilities for safeguarding are met
- Understand, communicate and contribute to the delivery of KCC's strategic aims
- Meet statutory obligations
- Advise elected members and support the democratic process
- Promote the Council brand and enhance the overall reputation of the Council
- Understand and monitor the measures of performance, including customer insight, which define successful outcomes for KCC services.

Integration of Services

- Focus resources where they have the biggest impact
- Deliver services that are flexible and adaptable
- Integrate services within KCC and work with partner agencies to ensure a seamless customer experience
- Fully and inclusively engage all staff in the delivery of services, demonstrating the Council's leadership values and competencies.

Embedding Commissioning and Engaging relevant markets

- Establish an outcome focused organisation
- Meet the financial regulations and standing orders of KCC
- Challenge the status quo
- Ensure all services are delivered with appropriate reference to the market
- Proactively and continuously seek to improve service delivery
- Proactively manage risk to avoid inertia whilst not exposing the Council to needless and avoidable challenge or loss
- Overcome professional and service silos to achieve the County Council's objectives.

Managing Change

- Understand and support the Authority's overall change agenda
- Deliver required outcomes of service specific change on time and to budget
- Understand the quality of staff, support their development, nurture those with talent
- Identify the skills for the future and the level of staff through robust workforce planning
- Deliver to agreed budget a and income targets

Footnote: This job description is provided to assist the job holder to know what their main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
