Introduction to Kent County Council

We are the UK's largest local authority, with a workforce in excess of 30,000 people, including maintained schools, serving a population of 1.5 million. We have various offices in central locations and a large number of service establishments throughout Kent; our corporate office is based in Maidstone.

More than two thirds of our workforce provide services directly to the public – such as domiciliary Care Workers, Classroom Assistants, Social Workers, Teachers, and Occupational Therapists etc.

Our annual budget covers a huge range of services. This translates into a host of interesting roles and career paths awaiting those who want to work in a leading edge public sector organisation.

Visit our website, www.kent.gov.uk.

Aims and objectives

Our focus is to work as one council to design and deliver a cohesive, modern public service offer for all Kent's residents, businesses and communities. This will bring together change projects consistently across the council and create organisational design opportunities to transform the way we work, including our people, assets, technology, structures and service delivery.

Success in delivering this aspiration will be determined using the following criteria:

- Working beyond the limit of organisational and service boundaries
- Thinking beyond the limit of our statutory powers
- Building capacity to provide sector and system leadership
- Delivering at both strategic and local scale
- Supporting economic security
- Delivering a cohesive service offer
- Flexibly using assets as part of public service design and delivery

Framing Kent's Future is our top-level council strategy for 2022 to 2026. It sets out the priorities that we will focus on over the next four years to tackle the challenges and make the most of the opportunities that the county is facing. Through delivering these priorities, our aim is to improve life in Kent and build a solid foundation for the county's future success.

The Strategic Reset Programme

The Strategic Reset Programme (SRP) is a multi-year transformation programme, bringing together both new and existing programmes and projects across Kent County Council. The programme will prepare us for the opportunities and challenges ahead and ensure that significant activities will be delivered in a collective, timely and disciplined way, with a strong focus on improving outcomes and realising tangible benefits.

Political Arrangements

The County Council has 81 councillors and elections take place every four years.

The political composition of the County Council is as follows:

Conservative	61 members
Labour	7 members
Liberal Democrat	5 members
Green Party	5 Members
Independent Groups	2 members

The Leader of Kent County Council is Roger Gough.

There is a Cabinet of Executive Members which meets regularly to debate policy issues and make key decisions. The cabinet comprises of:

Roger Gough	Leader of Kent County Council
Peter Oakford	Deputy Leader and Cabinet Member for Finance, Corporate and Traded Services
Dan Watkins	Cabinet Member for Adult Social Care and Public Health
Susan Carey	Cabinet Member for Environment
Sue Chandler	Cabinet Member for Integrated Children's Services
Clair Bell	Cabinet Member for Community and Regulatory Services
Rory Love	Cabinet Member for Education and Skills
Neil Baker	Cabinet Member for Highways and Transportation
Dylan Jeffrey	Cabinet Member for Communications, and Democratic Services
Derek Murphy	Cabinet Member for Economic Development

Structure of KCC

The structure of the organisation is as shown [here](#)

The Senior Officer team consists of six Corporate Directors. For more information on the Corporate Management Team please follow this [link](#)

The three directorates and two departments are as follows:

Adult Social Care and Health

The Directorate commissions and provides a range of services to improve outcomes for older and vulnerable adults, including those with mental health issues or disabilities, and their families. The Directorate supports vulnerable adults to live independently by promoting their wellbeing and supporting their independence. Services for adult mental health and learning disability already work in integrated teams with NHS colleagues and as a key partner in the Kent and Medway ICS we are developing multi-disciplinary teams within communities to support local care.

Responsible for services that include:

Public Health, Adults Central Referral Unit, Adult Community Teams, Safeguarding and quality, Kent Enablement at Home, Sensory and Autistic Spectrum Conditions Service, Integrated/Registered Care Centres, Day Centres, Community Learning Disability Teams, In-House Provision, Mental Health Services.

Growth, Environment and Transport

The Directorate comprises a range of key frontline, strategic, policy and commercial functions, and plays a major role in making Kent a better place to live, work and visit. The services provided, and the future the directorate helps to shape, affects every household in Kent. This includes strategic responsibility for the future of the county in terms of planning, economic development, transport policy, and major transport improvement schemes, waste disposal and recycling services. In addition, GET manages country parks; libraries; and delivers enforcement services including trading standards, community safety and emergency planning.

Responsible for services that include:

Highways, Transportation & Waste, Regulatory Services, Economic Development, Community Safety & Emergency Planning, Libraries, Registration & Archives, Sport & Country Parks, Arts including Kent Film Office, Development Planning, Planning Applications, North Downs Areas of Outstanding Natural Beauty, Flood Risk & Environment, Sustainability & Climate Change and Heritage Conservation

Children, Young People and Education Directorate

This Directorate combines and integrates the statutory responsibilities of Specialist Children's Services together with Education services and the targeted and universal services for children and young people within Early Help and Preventative Services. There is a strong focus on

alignment of resources to help ensure achievement of one of the key County Council strategic outcomes: 'Every child and young person in Kent gets the best start in life'. To improve outcomes for children and young people, services within the Directorate are working together with relevant partners to deliver the vision set out in the Children and Young People's Services Integration Programme.

Responsible for services that include:

Children's Social Care, Adoption & Fostering, Standards & School Improvement, Skills & Employability, Early Years and Childcare, Provision Planning, Fair Access, Educational Psychology, SEN Assessment & Placement, Youth Justice, Outdoor Education Centres, Children's Centres and Youth Hubs, Inclusion & Attendance, Early Intervention and Community Learning & Skills and Disabled Children and Young People Teams.

Chief Executive's Department and Deputy Chief Executive's Departments

The Departments support the delivery of our front-line services. The Directorate leads and coordinates major change, Organisational design and development and provides a critical client and contracting role with our trading companies including legal and customer contact. It provides Organisational wide governance, financial management and a major contribution to our political and external relationships.

Responsible for services that include:

Strategic Commissioning, Finance, Strategy, Policy, Relationship and Corporate Assurance, Governance, Law and Democracy, Technology, Strategic Reset Programme team, Marketing and Resident Experience, Infrastructure – ICT and property, Human Resources and Organisational Design, Health and Safety, Business Management and Client Relationships.

Job Description

Directorate:	Growth, Environment and Transport
Grade:	KR13
Responsible to:	Head of Environment

Job outline:

Ensure the Council meets its regulatory requirements in relation to its role as Lead Local Flood Authority (LLFA), by leading the management of local flood risk in Kent. Take ownership of the Local Flood Risk Management Strategy, ensuring it is delivered, maintained and updated. Pursue opportunities for investment in local flood risk management and work with partners to effectively manage local flood risk. Lead the identification, funding and delivery of schemes to reduce the risk of flooding and manage surface water more effectively. Oversee the delivery of KCC's statutory planning consultee role for drainage and promote SuDS in new developments and projects. Provide oversight for the land drainage functions of KCC.

Provide strategic leadership for water resources and water quality to improve the environment of the county whilst supporting growth and economic development. Collaborate with partners to improve water quality, reduce water abstraction, improve water efficiency and support partners to understand how they can engage in this agenda.

Act as lead for Flood and Water Management internally and represent the Council externally, locally, regionally and nationally to establish effective partnerships and to understand and deliver improvements in this sector. Work closely and collaboratively with elected Members, senior officers, staff across all Directorates and with external partners and stakeholders to embed flood and water management into plans and strategies across the county.

Job accountabilities:

1. Provide strategic leadership and expert advice on water and flood risk management in the county. Act as a recognisable leader in this sector, promoting the benefits of a healthy water environment in the county and working with partners and stakeholders to improve it.
2. Manage and develop the Flood and Water Management Team creating a high-performance environment to ensure the team continues to deliver agreed standards of service. Set and monitor appropriate targets to measure and report performance. Manage the team budget ensuring leverage of investment in Kent and the delivery of value for money.
3. Lead and direct the Council's LLFA role as required under the Flood and Water Management Act 2010. Ensure the timely delivery, consultation, adoption and review of the Kent Local Flood Risk

Management Strategy. Oversee the County Council's role as the Land Drainage Authority and our duty to investigate floods in the county. Maintain a record of Flood Risk Management Assets as well as a public register. Monitor and report on the delivery of these functions.

4. Lead the investment in flood risk management in the county to reduce the risk of flood and better manage surface water flooding to support growth and the Kent economy. Work with partners to investigate issues, improve resilience, deliver local flood alleviation schemes and secure funding to support them.
5. Oversee the delivery of the LLFA's role as statutory consultee with respect to surface water drainage by supporting the Sustainable Urban Drainage System (SuDS) Team Leader in planning and promoting the use of multi-functional SuDS in new developments. Ensure guidance is up to date, targets are set effectively and monitor the delivery of the service.
6. Oversee the county's role in partnering Southern Water on their Clean Rivers and Seas Taskforce to reduce surface water from the public highway in the foul and combined sewer. Work with Southern Water and colleagues in highways to identify and deliver schemes in the programme. Identify opportunities to manage surface water to provide multiple benefits.
7. Oversee the coordination of Nutrient Neutrality in the county, working with the affected local planning authorities and partners to deliver successful nutrient mitigation. Ensure the government's funding for nutrient neutrality is defrayed responsibly and reported on effectively.
8. Collaborate with partners and stakeholders to improve water efficiency, reduce abstractions and use water more responsibly across the county. Work with the county's water companies to identify opportunities to support water efficiency work and awareness raising. Provide leadership within KCC and with partners to ensure water is used efficiently in the public estate.
9. Support the implementation of other environmental priorities of KCC, particularly climate adaptation. Ensure that the flood and water management team is aware of and complimenting wider environment policies in its plans strategies and investment decisions. Support other teams and organisations to embed the principles of water and flood risk management in other plans, strategies and investment decisions.
