

Directorate	Growth Communities and Environment
Unit/Section	Growth & Communities Public Protection Coroner Service
Grade	KR9
Responsible to	Coroner Service Operations Manager

Purpose of the Job

As part of the coroner service management team ensure that the day-to-day operations and necessary actions in the coroners' office and courts are taken to deliver a high-quality, cost-efficient service for Kent and Medway residents.

Perform a supervisory and line management role, contribute to continuous improvement of the service through a range of service-wide operational, technical and IT improvements, initiatives and transformation projects; advocate for the Kent and Medway coroner service to be a centre of excellence.

Main duties and responsibilities

Work flexibly and collaboratively to:

1. Lead and supervise the activity of team members and ensure effective day to day service delivery; develop and monitor SOPs for all operational functions and processes in accordance with agreed procedures and performance indicators to ensure that all staff activities and coroner's enquiries are legally and procedurally compliant
2. Deliver a consistent and effective first line management function of the non-investigative team members, support, encourage and motivate staff and undertake supervision and annual performance appraisal activity, promote a strong and respectful team culture in accordance with KCC Values, policies, procedures and strategies to maximise individual potential and a safe and supportive workplace
3. Identify and contribute to improvement opportunities for all IT, technical and other court and office operational processes, contribute to wider improvements, initiatives, and transformation develop enhanced knowledge of the specialist coroner software applications to provide standardisation, optimisation and continuity of operational delivery and hybrid courts
4. Contribute to recruitment and succession planning; co-ordinate all training and development activity to ensure staff have the necessary skills, knowledge and behaviours to achieve their potential and perform to the highest levels of professionalism to deliver a high-quality service to the Kent & Medway coroners
5. Provide the operational link with the Budget Manager for financial commitments arising from court and office operational activities to ensure inclusion in budget forecasting and identify efficiencies and savings
6. Provide the operational link with the Contract Manager for all contractual matters relating to office and court operational activity; identify risks and ensure that

processes and timelines are in accordance with local policy, legal and contractual compliance

7. Develop and maintain positive relationships with internal and external professional partners in Kent and Medway on matters relating to the day-to-day delivery of the coroner service placing the residents of Kent and Medway at the centre of service delivery
8. Identify and report to management as relevant all actual or potential operational pressures, critical incidents and risks at the earliest opportunity with mitigating action(s); contribute to business continuity and emergency plans, risk assessments and risk registers across all activities; where necessary provide operational cover for staff absence and as appropriate support out of hours and bank holidays to ensure service delivery is resilient and able to respond to and manage incidents or emergencies that threaten to disrupt or challenge service delivery
9. Develop and maintain relevant skills and knowledge of all relevant legislation, chief coroners and other official guidance including KCC policies in order to advise, support and effectively monitor the work carried out by team members to ensure the required standard and performance indicators are met according to local policy and statutory requirements
10. Undertake directed and self-directed learning to inform own practice and personal development as a supervisor and leader to support the development of coroner service team members in order to lead a competent and effective coroner service team
