

Directorate:	Adult Social Care and Health
Unit/Section:	Service Provision, Older People's Short Stay Services
Grade:	KR5
Responsible to:	Team Leader

Purpose of the Job:

Provide a complete range of social, physical and personal care to older people that are living with dementia or frailty, promoting independence at all times.

Main duties and responsibilities:

- Deliver personal care and emotional support to people we support that are staying on the units.
- Support people we support to regain their independent living skills by working in a way that promotes independence and by implementing plans set by OTs and physiotherapists.
- Encouraging people we support to participate in activities on the unit, and deliver 1:1 activities with people if they prefer that.
- Keep clear, understandable and succinct care records, and notify the Team Leader of any concerns they have about people we support.
- Be responsible for reporting any safeguarding concerns to the Team Leader and act in accordance with our policy and local procedure.
- Attend regular one-to-one meetings, team meetings, and training courses, and ensure mandatory training is in date at all times.
- Support the Team Leader to deliver a safe and effective service.
- Ensure that requirements of current national guidance are being met and delivered in line with the regulator of the service
- Promote inclusivity, embrace diversity and ensure equality and ensure that people we support are at the centre of their care at all times.

Footnote: This job description is provided to assist the job holder to know what their main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
