

Kent County Council

Job Description: *Kent Enablement and Recovery Worker*

Directorate:	Adult Social Care, Health
Unit/Section:	Mental Health
Grade:	KR6
Responsible to:	Team Manager

Purpose of the Job:

Provide a short-term enablement and recovery-based service through working directly and flexibly with people experiencing mental health difficulties to address social care needs

Main duties and responsibilities:

- Provide support to Service Users to work towards achieving the goals and aspirations that they have set for themselves through discussion with their Mental Health Social Worker.
- To work within a person-centered approach to empower service users in relation to identified assets and needs through interventions which enable daily living activities, health promotion, benefit maximization and welfare rights and encourages involvement in social activities, education and employment. Positively promote independent living within the community and support the service user to become socially inclusive.
- Work with the Community Mental Health and Wellbeing Service, including Strategic Partners, Public Health, Clinical Commissioning Groups, other primary care organisations, local organisations and the wider community to achieve an integrated response to service users' recovery and reciprocity plans
- Work flexibly to ensure that service users engage effectively with an agreed enablement plan and access appropriate services, on a regular and consistent basis within the 12week service involvement period.
- Monitor record and contribute to the evaluation and review of service users' progress against the agreed enablement plan, encouraging and supporting the service user to be actively involved in this process. Notify the professionals coordinating the service user's care of any changes and matters of concern together with copies of contact notes and case records so that appropriate action can be taken.
- Promote equality for all individuals, respecting confidentiality of information, recognizing client's right and choice and respecting their personal beliefs and identify and challenge discriminatory views in the community, in order to foster equality, diversity and rights.
- Attend and participate in training sessions, team meetings, appraisal/personal development meetings, and supervision as required and assist in the training and providing of advice to colleagues as directed.

- Promote health, safety and security in undertaking work activities and in the work environment by undertaking ongoing environmental risk assessments in service user's homes to ensure personal safety and safety for other workers and the service users. Raise any safeguarding concerns with the professionals involved with the service user or the safeguarding coordinator in a timely manner.
- Actively engage in learning lessons from complaints and compliments received by the service.
