

Directorate: Growth, Environment and Transport

Unit/Section: North West Kent Countryside Partnership

Grade: KR10

Responsible to: Head of Country Parks and Countryside Partnerships

Purpose of the Job:

To provide efficient and effective management of the North West Kent Countryside Partnership, ensuring the continued development and maintenance of a well-resourced, forward-looking and action-orientated partnership.

To maintain the future of the Partnership including fostering partner involvement, raising the Partnership profile, secure funding and delivering actions in line with current issues and strategies.

Main duties and responsibilities:

- Develop, review, and implement the Business Plan, taking into account the strategies/aims of the core funders.
- Identify, pursue, initiate, and secure major sources of funding for sustaining and developing the Partnership.
- Pro-actively promote and market the services of the partnership through social media, website (including monitoring target demographic) and conventional means such as giving talks, presentations, personal networking, and email.
- Manage the operation of the Partnership and office, including the management of the staff team and volunteers, ensuring efficient and effective delivery of the Partnership's aims.
- Develop good working relationships with external organisations and others to promote and further the aims of the Partnership.
- Influence and enable landowners, local community groups, parish councils and other individuals or groups in the effective management of key environmental, amenity and heritage features within the Partnership area.
- Monitor and manage the Partnership's budget in accordance with KCCs Financial Regulations, with the assistance of KCC's Finance Department, to include the keeping of appropriate records, best use of resources and monitoring and authorisation of expenditure.
- Facilitate or lead on a wide range of community and environmental based projects and events.
- Enable and manage volunteers as part of the practical delivery of the projects.
- Ensure that operational and documented procedures for meeting health and safety requirements are followed by all staff and volunteers. Ensure relevant training is available and is of high quality.
- Ensure effective liaison and co-ordination with other complementary activities.

Footnote: This job description is provided to assist the job holder to know what the main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
