## **Kent County Council**

Job Description: Transport and Development Planner

Directorate:	Growth, Environment and Transport
Unit/Section:	Highways and Transportation
Grade:	KR8
Responsible to:	Transport and Development Planning Manager - West

## Job Purpose:

To assess and advise planning authorities on the transport aspects of planning applications, secure funding for and coordinate the delivery of development related highway schemes and support the development of local plans in line with corporate objectives.

### **Main duties and responsibilities:**

- Advise district councils/ KCC on highway and transportation implications of planning applications in accordance with the National Planning Policy Framework and adopted local and county policies.
- Review and provide advice on Transport Assessments, Transport Statements, and Travel Plans. Assess development plans and network and junction modelling outputs and evaluate the effectiveness of identified mitigations for development proposals.
- Secure funding for development related highway schemes through S106 Agreements and via Community Infrastructure Levy (CIL) charging mechanisms and oversee and manage their delivery as appropriate
- Represent the County Council at committee meetings, public inquiries and other formal hearings and public meetings in support of senior officers.
- Work with district councils to support the development of their Local Plan and secure the provision of transportation solutions, having regard for the County Council's strategic objectives.
- Sustain effective partnerships and working relationships with Members, National Highways, developers, public transport providers and local community groups as appropriate to ensure investment in transport infrastructure is secured and targeted to deliver development and other corporate objectives.
- Support and assist staff within the Transport and Development team.
- Ensure compliance with transport and development planning, equalities and health and safety legislation.
- Ensure high customer service standards and make sure complaints are dealt with sympathetically and in line with KCC procedures.

Footnote: This job description is provided to assist the job holder to know what their main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
