## Job Description: Business and Stakeholder Liaison Officer

---

|                        |  |
|------------------------|--|
| <b>Directorate:</b>    | <b>Growth, Environment and Transport</b>                           |
| <b>Unit/Section:</b>   | <b>TRA – Transportation – Road Safety &amp; Active Travel Team</b> |
| <b>Location</b>        | <b>Ashford/Invicta</b>   |
| <b>Grade:</b>          | <b>KR8</b>   |
| <b>Responsible to:</b> | <b>Senior Programme Manager (Active Travel)</b>                    |

### **Purpose of the Job:**

Support the Senior Programme Manager (Active Travel) and the Active Travel team in robust financial controls, team and project specific communications and provide monitoring and evaluation assistance.

### **Main duties and responsibilities:**

- Manage the Adult Cycle Training programme including promotion and marketing, monitoring and evaluation, supervision of bookings, liaison with cycle trainers.
- Assisting with the Cycle Mapping Project including engagement with stakeholders, review and updating the existing network.
- Provide professional support, analysis, advice and information to the Senior Programme Manager and Active Travel Team Leaders
- Collate and analyse the monthly revenue/income and expenditure for the Active Travel team to support sound management of budgets for KCC. To include managing and maintaining financial related systems e.g. i-Proc & Oracle, to ensure accurate reporting of financial matters including raising purchase orders and processing invoices for payment.
- Ensure expenditure and income is processed, and accounts submitted and verified with internal and external stakeholders, within the stated timescales to maximise income, utilising correct budget codes, to meet KCC corporate standards.
- Help to identify new and monitor key existing indicators and report progress against targets to ensure we understand and improve service delivery.
- Ensure regular communication with relevant staff and managers to obtain financial information and work completed data, to monitor budgets and provide financial reports.
- Support Team leaders on all forms of communication relating to the Active Travel Team with specific responsibility to triage and respond to customer enquiries via the customer services databases (WAMS and icasework) and generic team email inbox.

- Assist with project specific communications such as engagement and consultations. This will include production of consultation plans, start of works notices, website updates, production and updates of Equality Impact Assessments, provision of utility services information and other project specific data collection such as speed/cycle/pedestrian surveys, crash statistics and land registry information. Placing official notices on site and attending meetings/minute taking when requested.
- Contribute towards the improvement of current working practices and have an active involvement in changes to process and procedure.

Footnote: This job description is provided to assist the job holder to know what their main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.

The following outlines the criteria for this post. Applicants who have a disability and who meet the criteria will be shortlisted.

Applicants should describe in their application how they meet these criteria.
