

Directorate:	Adult Social Care and Health
Unit/Section:	Disabled Children, Adults Learning Disability & Mental Health
Grade:	KR9
Responsible to:	Team Leader

Purpose of the Job:

Manage a Mental Health caseload of various levels of complexity. Work in co-production with a range of statutory and non-statutory partners in primary and secondary care, people who use our service and carers in order to maximise access to community and wellbeing resources in support of person centred recovery planning. This will include person centred assessment, planning, implementation and evaluation of appropriate action, to ensure that resources are utilised effectively to empower people who use our services and to safeguard and promote their welfare. The post-holder should be working at the level of capability set out in the Professional Capability Framework and the Kent Social Care Capability Framework for "Social Worker".

Main duties and responsibilities:

- Develop strong links with primary and secondary care statutory partnership organisations, and the voluntary sector in order to offer an integrated response to people and carers which is in line with the Care Act, promotes independence and empowers individuals to develop their own recovery plans, and to prevent the need for ongoing involvement with statutory mental health services.
- Manage a Mental Health caseload to include complex and diverse cases. This will include the assessment, development and review of care and support plans and community care and residential packages, in collaboration with primary and secondary care colleagues, the Kent Enablement and Recovery service, and voluntary sector staff, to effectively meet the social care needs of the people who use our service and their carers. Monitor the use of resources to ensure their effective utilisation in line with service delivery requirements.
- Undertake enquiries into safeguarding and self-neglect concerns following consultation and direction by the locality designated senior officer, ensuring adherence to the requirements of the Care Act and multi-agency safeguarding protocols.
- Provide a range of written and verbal reports to inform multi agency decision making including risk.

- Undertake other duties appropriate to your role. This will include participation in duty and may include supervision of unregistered staff and undertaking the role of social supervisor for people subject to Ministry of Justice restrictions.
- Contribute to and review the development of the Mental Health social work service to achieve a more effective use of resources and to develop joint working practices with a range of other services to ensure a holistic approach to people who use our services and their families/ networks, including those in transition between services.
- Actively participate in, and contribute to supervision and team meetings, to ensure that the service utilises a robust evidence and research base to inform the interventions offered and to ensure that continuous professional development is maintained.
- Ensure information systems and client records are effectively maintained and shared as appropriate in accordance with KCC Adult Social Care & Health policy in order to provide up-to-date and accurate information, upon which decisions affecting service delivery can be made.
- Maintain a personal awareness of legislation, policies and procedures, particularly those relating to the Care Act, The Mental Health Act, the Mental Capacity Act, safeguarding and self-directed support in order to apply a strong evidence base to ensure consistency and a high quality of service delivery.
- Attend mandatory and core training courses as agreed in your TCP Action Plan. Actively pursue development opportunities to address gaps in your Safeguarding Capability framework and to achieve progression in line with the PCF. This will include preparation for AMHP training and responsibilities.
