

Directorate: Children, Young People and Education
Unit/Section: Specialist Children's Services
Grade: KR6
Responsible to: Senior Business Support Officer

Purpose of the Job:

Oversee and co-ordinate the provision of an administrative and business support service to assist in the smooth management of the Service/District through supervision of a team of support staff.

Main duties and responsibilities:

Assist the Senior Business Support Officer with the recruitment of Business Support Assistants to the Service/District; supervise and undertake the appraisals and development of support staff, including ensuring that training needs are met. Monitor quality, levels and timescales of work. Ensure that managers and teams are sufficiently supported to provide high quality client care by ensuring effective cover through robust planning of rota's and fair and appropriate distribution of work.

Manage the planning, organisation and coordination of internal and external meetings, ensuring that the whole process runs smoothly and that every administrative aspect is covered.

Oversee the efficient co-ordination of the Customer Care process within the Service/District and make sure that investigations and responses are carried out in line with KCC protocols and time frame.

Extract and analyse information from a range of electronic tracking systems, for all aspects of the business, including measurement of performance issues relating to administrative tasks such as timely distribution of minutes and uploading of information onto the child's electronic file as well as data to assist the Service/District in managing their performance, (i.e. extract data relating to timeliness of visits, reviews, conferences etc.)

Liaise and be a link lead person on behalf of the Service/District operation and the Management Information Unit (MIU) on issues regarding a child's electronic filing system. Relay any local issues that have arisen and advise MIU on issues from the perspective of the operation as well as being part of any testing of any upgrades to the system.

Oversee the administration of financial systems relating to expenditure and income, e.g. I-procurement management for processing orders and invoices, monitoring expenditure, purchase card transactions, managing imprest accounts and processing changes, in accordance with financial regulations and directorate procedures. Implement and ensure the maintenance of new administration systems to support a consistent approach throughout Specialist Children's Service in line with agreed procedures.
