

Kent County Council

Job Description: *Senior Adviser (Accounts Payable / Accounts Receivable/ Control)*

Directorate:	Strategic and Corporate Services
Unit/Section:	Finance Operations, Finance division
Grade:	KR10
Responsible to:	Accounts Administration Manager

Purpose of the Job:

Assist in the delivery of services provided, ensuring high levels of customer service and timely delivery. Coordinate staff activity, ensuring training and development needs are met. Responsible for advice and service delivery as an experienced professional specialist in finance administration.

Main duties and responsibilities:

- Supervise, coordinate, support and develop staff, in liaison with the Accounts Administration Manager. Undertake regular 1:1s to ensure appropriate development and training of the team to meet objectives and targets.
- Monitor the quality of data submitted for processing, and ensure is in accordance with procedures, regulations and standards. Ensure that all customers receive the correct outcomes on time and that correctly processed. Act to address issues and areas of concern, identify and and resolve any patterns of error.
- Maintain relevant records as required, ensuring the quality and integrity of data as per GDPR regulations. Retrieve data to support responses to enquiries, correspondence and reports, offer advice and solutions to provide timely resolution or escalation as appropriate. Develop excellent knowledge and understanding of the systems used within the service to make suggestions for enhancing/improving processes, promoting the principles of continuous improvement.
- Receive, allocate and monitor daily incoming workload via available systems. Ensure work is completed timely, within set standards and within agreed targets. Coordinate delivery considering staff availability and other influencing factors. Where required, coordinate project activity to meet business objectives.
- Actively keep up-to-date with relevant statutory and policy requirements, in order to provide interpretive advice, inform training needs and identify necessary changes to procedures/processes.

- Be proactive in sharing best practice and lessons learnt,. Develop excellent working relationships by employing a wide range of communication methods (in person, email, written reporting, in-person).
- Proactively suggest innovation and changes in approach, to improve processes and procedures. Where appropriate, train staff on changes made and ensure changes are incorporated into training material.

Footnote: This job description is provided to assist the job holder to know what his/her main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
