# **Kent County Council**

Job Description: Streetworks Coordinator

**Directorate:** Growth, Environment and Transport

Unit/Section: Highways, Transportation and Waste – Highway

**Operations** 

Grade: KR9

Responsible to: East Kent Streetworks Manager

#### Purpose of the Job:

This is an exciting opportunity to work as a key part of the Streetworks coordination team within Highways. The streetworks coordination team ensures that that all works on the network are carried out with the minimum of disruption to the travelling public.

These works can include Kent County Council roadworks, Utility companies, developers and others who need access to the network. The Kent Permit scheme ensures that access is managed in a way which ensures that essential works can be carried out whilst minimising disruption to residents and users of the highway.

Responsibility to ensure that works are carried out safely, that the highway is reinstated to a good standard and that all opportunities through innovation and method of working are explored to reduce the time taken to complete roadworks.

This role would suite someone who is highly organised, is able to deal confidently with other organisations and has a good working knowledge of current New Roads and Streetworks legislation. Initially, this role would focus on broadband role out works.

### Main duties and responsibilities:

- Co-ordinate and plan the availability of the highway for use by others (including Kent County Council and utilities) by receiving and determining applications for use of the highway and including the checking and agreement of all traffic management proposals for any work on the highway including footways and cycleways. Give advice and direction to consultants, contractors and the Highway Authority.
- 2. Attend site meetings and inspect any work on the highway as required to ensure a high standard of roadworks, traffic management, and safety.
- 3. Process data for the co-ordination of roadworks using appropriate IT systems and for the inspection of sites as required under the NRSWA and TMA. Ensure the provision of roadworks co-ordination information for meetings and stakeholders.
- 4. Manage the processing and inspection of permits and licences, including those for temporary traffic lights, skips, scaffolds, hoardings, materials placed on the highway, Section 50 works, Section 115E licences and sewer connections.
- 5. Advise and direct Streetworks inspectors and enforcement officers to assist with these functions.
- Maintain and develop effective communications with Parish Councils, Members and other Council staff, external organisations, contractors and members of the public, etc. Work collaboratively with the contractors and consultants and to help in improving public satisfaction.
- Carry out day to day general administration duties regarding roadworks co-ordination and investigate and respond to enquiries, complaints and queries raised by staff and customers.
- 8. Organise and assist as required with emergency work of the Service, including outside of normal hours.

Footnote: This job description is provided to assist the job holder to know what their main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
