We are the UK's largest local authority, with a workforce in excess of 30,000 people, including maintained schools, serving a population of 1.4 million. We have various offices in central locations and a large number of service establishments throughout Kent; our corporate office is based in Maidstone.

More than two thirds of our workforce provide services directly to the public – such as domiciliary Care Workers, Classroom Assistants, Social Workers, Teachers, and Occupational Therapists etc.

Our annual budget covers a huge range of services. This translates into a host of interesting roles and career paths awaiting those who want to work in a leading edge public sector organisation.

## Aims and objectives

Our focus is on improving lives by ensuring that every pound spent in Kent is delivering better outcomes for Kent's residents, communities and businesses. As long as those outcomes are supported by the right services, at the right quality and right cost, they could be delivered by KCC, the public, private or voluntary and community sector. This shift towards a strategic commissioning approach is set out within our Strategic Statement "Increasing Opportunities, Improving Outcomes".

In becoming an outcome focused organisation the way we work within KCC, and with our partners and providers, is changing. Our approach is to:

- Promote personal and family responsibility;
- Focus on prevention and supporting independent living;
- Maximise social value from the services we commission;
- Commission and design services with our partners;
- Maximise the value of the Kent tax pound;
- Be business orientated and entrepreneurial;
- Be a strong voice for Kent nationally and internationally;
- Recognise that no one size fits all.

The [Strategic Delivery Plan](#) is our business plan for 2019 - 2022.

The plan summary captures all of our significant commissioning, service and policy activity in one place, looking ahead over the next 3 years.

Our business plan plays an important part in delivering the outcomes of our strategic statement, [Increasing Opportunities, Improving Outcomes](#).
