

Directorate: Adult Social Care and Health
Unit/Section: Older People and Physical Disability
Grade: KR7
Responsible to: Team Manager – Promoting/Supporting Independence

Purpose of the Job:

Within the local social care and health systems, work with clients and their support networks, including service providers to ensure support is appropriately coordinated and communication is effective and actions between agencies and other parties. Work closely with service providers and other agencies to support clients working towards their independence and wellbeing goals and monitor, review and modify client's care and support plans accordingly.

Main duties and responsibilities:

1. Work with clients in partnership with their service provider and local health and social care network. Monitor, review and modify care and support plans with clients, and work with service providers to support clients in working towards their goals and outcomes to optimise their independence and wellbeing.
2. Work in partnership with service providers to conduct reviews, including annual statutory reviews, of clients' care and support plans to ensure the level of service is appropriate to meet their assessed eligible needs and monitor to address any changing needs within the appropriate authorization thresholds. Identify the appropriate specialist expertise that may be required to deliver the review e.g. Occupational Therapist.
3. Support the management of crisis intervention to meet immediate requirements and reduce risk.
4. Support integrated working with a range of teams, partner organisations and other parties to offer a broad range of options to clients and carers. Develop care and support arrangements, supporting clients and their carers to build and maintain community links and optimise independence and wellbeing. Participate in multi-disciplinary meetings with partners to support complex needs.
5. Develop and maintain an extensive knowledge of available resources to support clients and their carers in the commissioning of ongoing services. Through a range of interventions, direct management and signposting, support clients to access the voluntary sector, information, advice & guidance.
6. Co-ordinate specialist interventions with other professionals to ensure that care and support is delivered in a person-centred and timely manner. Identify and refer

any concerns to the relevant team to ensure clients are fully supported as required.

7. Work closely with providers, quality improvement and safeguarding teams and the Strategic Commissioning division to monitor, review and improve service delivery and ensure quality and outcome improvements are made where required. Contribute to a range of service related projects as they arise.
8. Work collaboratively with service providers to support the service provider workforce. Offer positive peer challenge and professional support to develop practice and upskill the workforce, including showing techniques.
9. Create and maintain accurate, up to date and reliable data, information and records in line with information governance framework requirements, standards and best practice to ensure compliance with legislation.
10. Support senior managers when responding to emergency planning issues and ensuring there are business continuity arrangements in place at all times.

Footnote: This job description is provided to assist the job holder to know what the main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
