

Directorate:	Adult Social Care & Health
Unit/Section:	Disabled Children, Adults Learning Disability & Mental Health
Grade:	KR7
Responsible to:	Team Leader – Mental Health

Purpose of the Job:

To undertake assessments for a range of community-based recovery and wellbeing services under the direction of the Team Leader. To undertake Carers assessments; to support and monitor the delivery of care services as agreed with Service Users/Carers; and (under the direction of the Team Leader) in order to meet needs as stated in Care & Support Plans and in accordance with Directorate and County Council policy and procedures and national legislation.

Main duties and responsibilities:

- Participate in a Rota to support the local assessment and Duty System through the provision of social care clinics, to contribute to assessment, care & support planning relating to housing, self-directed support and benefit entitlement.
- Maintain awareness of Safeguarding requirements, raise alerts as appropriate and contribute to enquiries.
- Support Social Workers in preparing appropriate paperwork for the Complex Needs Panel, source residential care and Supporting Independence (SIS) placements, request financial assessments and contribute to the ongoing support, monitoring and reviewing of placements.
- Act as a resource for the team, supporting the identification of Carers and their access to assessments and services. Receive referrals in line with the carers' assessment pathway and undertake assessments. Agree support plans to meet eligible needs, accessing appropriate services in order to achieve the desired outcome of the plan. Ensure support plans and Carers data is accurately maintained on the electronic clinical record.
- Monitor and review standards of service delivery through contact with Carers, to ensure that all services are delivered to the agreed specification and standard and continue to be appropriate; arranging changes in service delivery in consultation with the Social Worker or Team Leader as necessary to continue to meet the needs of the Carer.

- Support service users and Carers to access advocacy. Contribute to the receivership process and cases where Power of Attorney and Court of Protection issues apply, in collaboration with other relevant staff in order to assist clients towards self-determination of their care and support arrangements.
- Build links and partnerships with 3rd party providers, individual users and carers groups in order to maximise the Multi- Disciplinary Team's access and engagement with community and wellbeing services. Support Social Workers to establish personal budgets and direct payments for service users and carers where appropriate.
- Refer service users for financial assessments in line with the Directorate's policy. Ensure that service users and carers are fully aware of their benefit entitlements in order to maximise their available income and to enable the appropriate charge to be made when applicable.
- Maintain service user records by recording and up-dating all social care needs and financial assessments, all care and support plans (including costs, providers and monitoring arrangements, and all details of monitoring activity, using the KCC electronic system as appropriate). Ensuring verification of records where appropriate.
- Contribute to the AMHP Back-Up Rota as required

Footnote:

This job description is provided to assist the job holder to know what his/her main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
