Job Description Occupational Therapy Assessment Officer

Directorate: Adult Social Care and Health

Unit / Section: Older Persons and Physical Disability

Current Grade: KR7

Responsible to: Senior Practitioner Occupational Therapist

Purpose of the Job:

Work with clients with lower levels of complexity, requiring Occupational Therapy assessment and short intervention, using a preventative approach to maximise independence across the Promoting and Supporting Independence Teams. Identify through functional assessment, necessary equipment and adaptations based on promoting independence, considering any requirements under relevant legislative and policy requirements.

Main duties and responsibilities:

1. Facilitate proportionate, functional and holistic assessments with clients (including where appropriate self-assessments and carers assessments), ensuring they can engage and identify current needs and outcomes which will inform the appropriate level of resource (i.e. equipment, adaptations, housing needs, domiciliary support) required to help the person optimise their independence.
2. Conduct Occupational Therapy functional assessments to establish clients abilities, difficulties and dependencies to provide a range of interventions including provision of equipment and adaptations to both public and private sector (including low level Disabled Facilities Grants), and low- level housing needs assessments.
3. Identify and recommend a range of equipment to maximise independence. Arrange for the delivery and trial of equipment, demonstrating effective use of resources by utilising recycled items. Evaluate the effectiveness of the equipment and comply with risk assessment policies as required by the Directorate and in line with MHRA guidance.
4. Recommend, specify and arrange for the provision of adaptations for clients living in all tenure of property. Evaluate the installation of recommended adaptations to ensure that the client's needs are met.
5. Following a period of assessment, and identification of a person's eligible needs, contribute to the development of the care and support plan

6. Conduct basic moving and handling assessments with intervention and provision of suitable equipment (i.e. seating) and OT specific information to clients including advice and guidance to self- fund and support and advice to carers
 7. Develop and maintain an extensive knowledge of available resources within the community, in order to offer the broadest range of options to clients. Support the team, offering advice on a range of equipment and adaptations, as well as community services to maximise independence and opportunities.
 8. Liaise with partner agencies including health, housing and the voluntary sector, as requested by senior staff to support integration initiatives and achieve the best outcomes
 9. Identify and refer any concerns to the relevant specialist team to ensure that clients are fully supported as required.
 10. Create and maintain accurate, up to date and reliable data, information and records in line with information governance framework requirements, standards and best practice to ensure compliance with legislation.
 11. Responsible for own performance and development in liaison with supervisor making best use of available training opportunities.
