Job Description: *Adoption Social Worker*

| | |
|------------------------|---|
| Directorate: | Children, Young People and Education |
| Division: | Adoption – Family Finding |
| Grade: | KR10 |
| Responsible to: | Team Manager |

Purpose of the Job:

Manage a caseload of various levels of complexity, involving the assessment, planning, implementation and evaluation of appropriate action, to ensure that resources are utilised effectively to safeguard and promote the welfare of children and their families and to provide assessments for prospective adopters.

Liaise with adoptive parents, adopted children, social workers, foster carers and birth parents as necessary and appropriate to carry out the work.

Raise the standard of professional work within the Team by contributing to training initiatives and “in-house” core training courses for Newly Qualified, Developing and Maturing Practitioners whilst consolidating a breadth of social work practice.

Main duties and responsibilities:

- Manage a high and diverse number of cases within the parameters of agreed policies and practices, together with the professional guidance and support from Senior Practitioners to safeguard and promote the welfare of children and meet their individual needs.
- Work in partnership with the child, parents and carers, Health Service including Acute and Community Trusts and with Primary Care Trusts, Education Authority, District Councils, commercial and private sector and voluntary bodies to identify, evaluate and review care plans to produce positive outcomes for children and their adoptive and foster families.
- Assist the Senior Practitioner and other colleagues in identifying, planning and delivering its core tasks of recruiting, assessment, training and supervision of adoptive families and foster carers to a high professional standard.
- Keep contemporaneous case notes and regularly update records, reports, plans and assessments so that information and planning for the children is the most relevant and current.
- Maintain an awareness of changes in child development etc., and related theories, legislation, corporate and directorate policies, local and agency practices, in order to disseminate knowledge and contribute to the delivery of a high standard of service.

- Attend regular “in-house” core training courses, compile a portfolio of evidence supported by experiences in the field to achieve appropriate competency levels
- Regularly review the progress and implementation of children’s plans and update these based on new assignments or significant changes in the child or family circumstances
- Prepare applications for submission to Family Courts and represent the County Council’s Children & Families Service as and when required in Court in accordance with procedures to safeguard and promote the welfare of children.
- Keep up to date with research findings, theoretical models and innovative practice within the social work field.

Footnote: This job description is provided to assist the job holder to know what his/her main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
