

**Directorate:** Adult Social Care and Health  
**Unit/Section:** Older People/Physical Disability  
**Grade:** KR11  
**Responsible to:** Team Manager

**Purpose of the Job:**

Provide a practice and supervisory service to the Occupational Therapists and Occupational Therapy Assistants to ensure a comprehensive service of prevention and intervention for all areas of Occupational Therapy business, across the Promoting Independence and Supporting Independence teams, covering current and future business demand.

Provide clinical management of Occupational Therapy and Enablement staff driving a preventative approach to maximise independence, in accordance with legislative requirements, corporate and directorate policies and practices.

**Main duties and responsibilities:**

1. Provide a practice and supervisory support to a team of registered and non-registered staff across both the Promoting Independence and Supporting Independence teams to provide holistic, functional assessment and intervention to optimise clients independence, ensuring that eligible needs are identified, and care and support plans are developed.
2. Hold, as required, a small highly complex caseload of clients that require a high level of expertise and specialist input.
3. Support the Team Manager to manage the everyday occupational therapy business across both teams, redeploying resources as required to meet business need and provide professional oversight to KEaH, supporting assurance panels, providing high level professional clinical challenge to case decisions, authorising equipment spend and ongoing support packages as required.
4. Support the Team Manager with recruitment, development and motivation of staff groups in order to ensure they are capable of fulfilling the changing demands of the service, providing support and learning where required. Promote a positive intervention and prevention approach throughout the whole service.
5. Provide day to day support and ensure high quality clinical supervision and professional development is available for all Occupational Therapy staff. Monitor staff performance, using team dashboards and relevant activity reports, providing statistics and feedback to appropriate managers as required in a timely manner.

6. Engage in professional and clinical supervision with the operational manager Occupational Therapy to ensure Occupational Therapy practice standards are maintained and adhered to.
7. Ensure KCC policy and practise guidelines are enforced in day to day work and high standards of professional practise are maintained across the teams.
8. Contribute to monitoring and control of the Community Equipment and Telecare budgets and the Home Support fund by ensuring that cost effective solutions are provided which meet the needs of the client and optimise the use of all resources.
9. Initiate, participate and develop close, joint and integrated working with a wide range of teams, partner organisations and other parties to offer a broad range of options to clients and carers and to maximise resources.
10. Promote good customer care practises and actively problem solve initial stages of complaints, contributing to formal responses as required.
11. Identify and refer appropriate circumstances to the relevant team to ensure that clients are fully supported as required. Act as professional expert for advice on Occupational therapy specific cases.
12. Contribute to development of occupational therapy specific training plan and support staff to deliver local level enablement goal setting training in KEaH
13. Represent Occupational therapy on County development initiatives and lead local partnership meetings ie with housing (DFG) home improvement agency, carers forums, as requested.
14. Deputise for the operational manager Occupational Therapy on HSF and JSFE panels as required
15. Work flexibly to accommodate senior rotas as required across the business
16. Support student education in the team and work in partnership with the local university to support the education programme of occupational therapy students

Footnote: This job description is provided to assist the job holder to know what his/her main duties are. It may be amended from time to time without change to the level of responsibility appropriate to the grade of post.
