

Directorate: Adult Social Care and Health
Unit/Section: DCLDMH
Grade: KR9
Responsible to: Team Manager Lifespan 26+

Purpose of the Job:

Within the local social care and health systems, work with clients and their support networks, including service providers to ensure support is appropriately coordinated and communication is effective between agencies and other parties. Work closely with service providers and other agencies to support clients working towards their independence and wellbeing goals and outcomes. Monitor, review and modify client's care and support plans accordingly.

Main duties and responsibilities:

1. Manage care and support to clients in partnership with their service provider and local health and social care network. Monitor, review and modify care and support plans with clients, and work with service providers to support clients in working towards their goals and outcomes to optimise their independence and wellbeing.
2. Work closely with service providers to conduct reviews, including annual statutory reviews, of clients' care and support plans to ensure the level of service is appropriate to meet their assessed eligible needs and monitor to address any changing needs within the appropriate authorization thresholds. Identify the appropriate specialist expertise that may be required to deliver the review e.g. Occupational Therapist. Work in partnership with the service provider throughout the process.
3. Manage crisis intervention to meet immediate requirements and reduce risk. Undertake IO safeguarding enquiries as directed by the Safeguarding Coordinator/Team Manager.
4. Support and, participate in, joint and integrated working with a range of teams, partner organisations and other parties to offer a broad range of options to clients and carers. Develop support arrangements, supporting clients and their carers to build and maintain community links and optimise independence and wellbeing. Participate in multi-disciplinary meetings with partners to support complex needs.
5. Develop and maintain an extensive knowledge of available resources to support clients and their carers in the commissioning of ongoing services. Through a range of interventions, direct management and signposting, support clients to access the voluntary sector, information, advice and advocacy.
6. Co-ordinate specialist interventions with other professionals to ensure that care and support is delivered in a person-centred and timely manner. Identify and refer any concerns to the relevant team to ensure clients are fully supported as required.
7. Work closely with providers, client support service, safeguarding coordinator and the Strategic Commissioning division to monitor, review and improve service delivery and ensure

quality and outcome improvements are made where required. Lead and contribute to a range of service related projects as they arise.

8. Support the maintenance of good practice standards and enable continued development of professional skills that meet service requirements. Support the professional supervision for students on practice placements with the team, planning a range of work experience, supporting their development, monitoring progress and supporting the embedding of the student's learning in practice.
9. Create and maintain accurate, up to date and reliable data, information and records in line with information governance framework requirements, standards and best practice to ensure compliance with legislation.
10. Support senior managers when responding to emergency planning issues and ensuring there are business continuity arrangements in place at all times.

Directorate: Adult Social Care and Health
Unit/Section: DCLDMH
Grade: KR10
Responsible to: Team Manager Lifespan 26+

Purpose of the Job:

Within the local social care and health systems, manage care and support to clients and their support networks, including service providers to ensure support is appropriately coordinated and communication is effective between agencies and other parties. Work closely with service providers and other agencies to support clients working towards their independence and wellbeing goals and outcomes. Monitor, review and modify client's care and support plans accordingly.

Main duties and responsibilities:

1. Manage care and support to clients in partnership with their service provider and local health and social care network. Monitor, review and modify care and support plans with clients, and work with service providers to support clients in working towards their goals and outcomes to optimize their independence and wellbeing.
2. Work in partnership with service providers to conduct reviews, including annual statutory reviews, of clients' care and support plans to ensure the level of service is appropriate to meet their assessed eligible needs and monitor to address any changing needs within the appropriate authorization thresholds. Identify the appropriate specialist expertise that may be required to deliver the review e.g. Occupational Therapist.
3. Manage crisis intervention to meet immediate requirements and reduce risk. Undertake IO safeguarding enquiries as directed by the Safeguarding Coordinator/Team Manager.
4. Initiate, participate and develop close, joint and integrated working with a wide range of teams, partner organisations and other parties to offer a broad range of options to clients and carers. Develop support arrangements, support clients and their carers to build and maintain community links and optimise independence and wellbeing. Participate, and lead when required, in multi-disciplinary meetings with partners to support complex needs.
5. Develop and maintain an extensive knowledge of available resources to support clients and carers in the commissioning of ongoing services through a range of interventions, direct management and signposting to and support clients to access the voluntary sector, information, advice and advocacy.
6. Co-ordinate and advise on specialist interventions with other professionals to ensure that care and support is delivered in a person-centred and timely manner. Identify and refer appropriate circumstances to the relevant team to ensure that clients are fully supported as required.
7. Work closely with providers, client support service, safeguarding coordinator, and the Strategic Commissioning division to monitor, review and improve service delivery and ensure

quality and outcome improvements are made where required. Lead and contribute to a range of service related projects as they arise.

8. Contribute to the development of new initiatives through attendance at working groups, multi agency forums, training courses to develop current and new ways of working that meet service requirements. Offer positive peer challenge and professional support to develop practice and upskill the workforce.
9. Support the Senior Practitioner in the supervision of an agreed number of staff in accordance with supervision protocols, to maintain good practice standards and enable continued development of professional skills that meet service requirements. Provide professional supervision for students on practice placements with the team, planning a range of work experience, supporting their development, monitoring progress and supporting the embedding of the student's learning in practice.
10. Create and maintain accurate, up to date and reliable data, information and records in line with information governance framework requirements, standards and best practice to ensure compliance with legislation.
11. Support senior managers when responding to emergency planning issues and ensuring there are business continuity arrangements in place at all times.
